## **INTERSTATE COMMERCE COMMISSION**

### **49 CFR Part 1023**

[Ex Parte No. MC-100 (Sub-No. 6)]

#### **Single State Insurance Registration**

**AGENCY:** Interstate Commerce Commission.

**ACTION:** Final rule; suspension of effectiveness.

**SUMMARY:** The Commission is suspending the effectiveness of its recent revisions to the receipt provisions of its Single State Insurance Registration regulations. The Commission is acting in response to a petition by state interests. The suspension will maintain the status quo while interested parties consider alternatives to the existing registration system.

**EFFECTIVE DATES:** Effective August 4, 1995, § 1023.5, as revised at 60 FR 30011, June 7, 1995, is suspended from August 4, 1995, until January 1, 1997. Section 1023.5 is reinstated effective August 4, 1995, through December 31, 1996.

**FOR FURTHER INFORMATION CONTACT:** Kenneth H. Schwartz, (202) 927-5299 or Joseph H. Dettmar, (202) 927-5660. [TDD for the hearing impaired: (202) 927-5721.]

**SUPPLEMENTARY INFORMATION:** In a decision in *Single State Insurance Registration*, 9 I.C.C.2d 610 (1993), notice published at 58 FR 28932 on May 18, 1993, the Commission adopted final regulations that replaced a multi-state motor vehicle and operating authority registration system with a simplified, single-state, insurance-based registration system. The Commission acted pursuant to Congressional revisions to 49 U.S.C. 11506—Registration of Motor Carriers by a State. On judicial review, in *Nat'l Ass'n of Regulatory Util. Comm'rs v. ICC*, 41 F.3d 721 (D.C. Cir. 1994), the court found that the Commission had improperly balanced conflicting policy goals in adopting regulations giving motor carriers the authority to copy the registration receipts required by law to be kept in each motor vehicle. The court remanded the matter to the Commission for further consideration.

Upon consideration of the court's opinion and the comments filed by interested parties, the Commission adopted final rules revising the receipt provisions of the regulations in a decision served June 6, 1995, and notice published at 60 FR 30011 on June 7, 1995. Under the revised rules at 49 CFR 1023.5, states will issue official copies of registration receipts, and motor carriers will be required to maintain an official copy in each reported motor vehicle. Motor carrier copying of receipts will be prohibited. The new rules took effect July 7, 1995, in order to cover filings relating to the 1996 registration year.

By a petition filed July 11, 1995, the National Conference of State

Transportation Specialists (NCSTS) has requested that the Commission postpone the effectiveness of its revised rules for one year. The American Trucking Associations and the American Insurance Association have filed letters supporting the petition. NCSTS indicates that it is working with the motor carrier and insurance industries and the U.S. Department of Transportation to create a new insurance program.

In order to maintain the status quo while interested parties consider alternatives to the existing registration system, the Commission is granting the request. However, as the revised rules went into effect before the NCSTS filed its petition, the Commission is suspending, rather than postponing, the effectiveness of the revised rules and reinstating the rules that previously were in effect.

#### Regulatory Flexibility Certification

Pursuant to 5 U.S.C. 605(b), we conclude that our action in this proceeding will not have a significant economic impact on a substantial number of small entities. No new regulatory requirements are imposed, directly or indirectly, on such entities. We are continuing the effectiveness of rules that have been in place for 2 years and suspending the effectiveness of recently revised rules found not likely to have a significant economic impact. Thus, the economic impact on small entities, if any, is not likely to be significant within the meaning of the Regulatory Flexibility Act.

#### Environmental and Energy Considerations

We conclude that this action will not significantly affect either the quality of the human environment or the conservation of energy resources.

Comments will be accepted until August 15, 1995.

**ADDRESSES:** Comments on these actions should be sent to Mr. William Stelle, Jr., Director, Northwest Region, National Marine Fisheries Service, 7600 Sand Point Way NE., BIN C15700, Bldg. 1, Seattle, WA 98115-0070; or Ms. Hilda Diaz-Soltero, Director, Southwest Region, National Marine Fisheries Service, 501 West Ocean Blvd., Suite 4200, Long Beach, CA 90802-4213. Information relevant to these actions has been compiled in aggregate form and is available for public review during business hours at the office of the Director, Northwest Region, NMFS (Regional Director).
