

nonprofit agency has agreed to produce the flag cases at the price that has been set.

Another commenter indicated that the contractor's firm may have disabled employees. The contractor, however, did not support this contention in its comments either to the Committee or in its letters to Members of Congress. One commenter proposed that the Committee permit the contractor to hire some people with disabilities instead of adopting the proposed addition to the Procurement List. The Committee encourages companies to hire people with disabilities but does not believe this hiring should replace the creation of jobs for people with severe disabilities through additions to the Procurement List, which guarantees employment for these people while commercial businesses are free to terminate workers with disabilities for any reason.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the commodities, fair market price, and impact of the addition on the current or most recent contractors, the Committee has determined that the commodities listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodities to the Government.

2. The action does not appear to have a severe economic impact on current contractors for the commodities.

3. The action will result in authorizing small entities to furnish the commodities to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodities proposed for addition to the Procurement List.

Accordingly, the following commodities are hereby added to the Procurement List:

Case, Flag, Hardwood
8345-00-NSH-0013 (18" x 25" Navy)
8345-00-NSH-0014 (18" x 25"

Marine Corps)

(Requirements for the Naval Medical Logistics Command, Fort Detrick, Maryland)

This action does not affect current contracts awarded prior to the effective date of this addition or options exercised under those contracts.

Beverly L. Milkman,
Executive Director.
