DEPARTMENT OF EDUCATION

[CFDA No.: 84.300]

Alaska and Native Hawaiian Cultural and Arts Development Program

AGENCY: Department of Education.

ACTION: Notice of funding available for fiscal year (FY) 1995 and procedures for certification of eligibility and application.

PURPOSE OF PROGRAM: The Native Hawaiian and Alaska Native Culture and Arts Development Program authorizes grants to provide scholarly study of, and instruction in, Native Hawaiian or Alaska Native art and culture; to establish programs that culminate in the awarding of degrees in the various fields of Native Hawaiian or Alaska Native art and culture; or to establish centers and programs with respect to Native Hawaiian or Alaska Native art and culture that are similar in purpose to the centers and programs described in 20 U.S.C. 4417(b), (c).

BACKGROUND: In 1994, Congress amended the Native Hawaiian culture and arts development program to

include programs for Alaska Native culture and arts development (20 U.S.C. 1441). The legislation authorizes grants to support programs for Native Hawaiian or Alaska Native culture and arts development to any private, nonprofit organization or institution that primarily serves and represents Native Hawaiians or Alaska Natives, and has been recognized by the Governor of the State of Hawaii or the Governor of the State of Alaska, as appropriate, for the purpose of making such organization or institution eligible to receive such grants.

For FY 1995, \$1,000,000 was originally appropriated for this program. However, a Congressional budget rescission has reduced the appropriated amount to \$500,000. In addition, the rescission bill specifies that these funds shall be available only for Native Alaskans.

For any grants made under this program for Alaska Native arts and culture, the grant recipient must establish a governing board to manage and control the program for which the grant is made, the members of which—

- (a) Include Alaska Natives and individuals widely recognized in the field of Alaska Native art and culture;
- (b) Represent the Eskimo, Indian, and Aleut cultures of Alaska; and
- (c) Serve for a fixed term.

ELIGIBLE APPLICANTS: An eligible applicant is any private, nonprofit organization or institution that primarily serves and represents Alaska Natives and has been recognized by the Governor of the State of Alaska for the purpose of making the organization or institution eligible to receive a grant under this program.

CERTIFICATION SUBMISSION: Potential applicants must submit their request for certification as an eligible entity for a grant under this program directly to the Governor of Alaska. This request for certification must be received by the Governor no later than August 16, 1995, at the following address: The Honorable Tony Knowles, Governor of Alaska, P.O. Box 110001, Juneau, Alaska 99811-0001.

Only those entities that have been certified by the Governor of the State of Alaska will be considered eligible to participate in this program.

APPLICATION REQUIREMENTS: If more than one eligible applicant is identified by the Governor of Alaska, the eligible applicants will compete for the funding available under this program. The criteria in 34 CFR 75.210 (the Education Department General Administrative Regulations) will be used to evaluate the applications submitted by multiple

eligible applicants. The 15 additional points to be distributed among the evaluation criteria under 34 CFR 75.210(c) will be allocated to the "Plan of Operation" selection criterion for a possible total of 30 points.

If only one eligible applicant is certified by the Governor of Alaska, the application for funding should address the requirements of the statute and the Department will then review the application to ensure that the program meets the purposes of the statute (20 U.S.C. 4441).

DEADLINE FOR RECEIPT OF APPLICATIONS: September 18, 1995.

AVAILABLE FUNDING: \$500,000.

PROJECT PERIOD: 12 months.

ESTIMATED NUMBER OF AWARDS: One.

PROGRAM AUTHORITY: 20 U.S.C. 4441.
