

Recreation Management. All issues will be considered in relationship to each other under ecosystem management.

Resource management programs to be represented on the interdisciplinary team preparing the RMP and Environmental Impact Statement (EIS) include: Wildlife, fisheries, riparian, wild horses, recreation, wilderness, cultural, watershed, minerals, lands and realty, range, botanical, threatened and endangered plants and animals, fire management, socioeconomics, and land use planning. Guidelines developed by the Interim Columbia Basin Ecosystem Management Plan will be considered in preparing this RMP.

More detailed information on issues, planning criteria, and preliminary management alternatives is available at the Burns and Vale District Offices and has also been mailed to known interested individuals and parties. Public meetings will be held to discuss preliminary issues and planning criteria for the RMP and associated EIS. The comment period on issues will close November 3, 1995. Dates, times, and location of meetings will be announced through local media and mailing information to interested parties. Other public participation activities will include a 90-day review of the draft RMP/EIS and public meetings to receive comments and answer questions.

Planning documents will be available for inspection at the Burns and Vale District Offices during normal working hours.

Dated: August 14, 1995.

James E. May,

District Manager, Vale.

Jerome A. Petzold,

Assistant District Manager for Operations, Burns.

BILLING CODE 4310-33-M

[AZ-050-05-1231-00; 8371]

Arizona: Long-Term Visitor Area Program for 1995-1996 and Subsequent Use Seasons; Revision to Existing Supplementary Rules, Yuma District, Arizona, and California Desert District, California, and Revision of Long-Term Visitor Area Boundaries Within the California Desert District, El Centro Resource Area

AGENCY: Bureau of Land Management, Interior.

ACTION: Publication of supplementary rules and revision of Long-Term Visitor Area boundaries within the California Desert District, El Centro Resource Area.

SUMMARY: The Bureau of Land Management (BLM) Yuma District and California Desert District announce revisions to the Long-Term Visitor Area (LTVA) Program. The program, which was instituted in 1983, established designated Long-Term Visitor Areas and identified an annual long-term use season from September 15 to April 15. During the long-term use season, visitors who wish to camp on public lands in one location for extended periods must stay in the designated LTVAs and purchase an LTVA permit.

EFFECTIVE DATE: September 15, 1995.

FOR FURTHER INFORMATION CONTACT: Mark Lowans, Outdoor Recreation Planner, Yuma Resource Area, 3150 Winsor Avenue, Yuma, Arizona 85365, telephone (520) 726-6300; or John Butz, Outdoor Recreation Planner, California Desert District, 6221 Box Springs Boulevard, Riverside, California 92507-0714, telephone (909) 697-5394.

SUPPLEMENTARY INFORMATION: The purpose of the Long-Term Visitor Area program is to provide areas for long-term winter camping use. The sites designated as Long-Term Visitor Areas are, in most cases, the traditional use areas of long-term visitors. Designated sites were selected using criteria developed during the land management planning process, and environmental assessments were completed for each site location.

The program was established to safely and properly accommodate the increasing demand for long-term winter visitation and to provide natural resource protection through improved management of this use. The designation of long-term visitor areas assures that specific locations are available for long-term use year after year, and that inappropriate areas are not used for extended periods.

Visitors may camp without an LTVA permit outside of LTVAs, on public lands not otherwise posted or closed to camping, for up to 14 days in any 28-day period.

Authority for the designation of LTVAs is contained in Title 43, Code of Federal Regulations, Subpart 8372, Sections 0-3 and 0-5(g). Authority for the establishment of a Long-Term Visitor Area program is contained in Title 43, Code of Federal Regulations, Subpart 8372, Section 1, and for the payment of fees in Title 36, Code of Federal Regulations, Subpart 71.

The Authority for establishing supplementary rules is contained in Title 43, Subpart 8365, Section 1-6. The LTVA supplementary rules have been developed to meet the goals of individual resource management plans.

These rules will be available in each local office having jurisdiction over the lands, sites, or facilities affected, and will be posted near and/or within the lands, sites, or facilities affected. Violations of supplementary rules are punishable by a fine not to exceed \$100,000 and/or imprisonment not to exceed 12 months.

The following are the supplemental rules for the designated LTVAs and are in addition to rules of conduct set forth in Title 43, Code of Federal Regulations, Subpart 8365, Section 1-6.

The following supplemental rules apply year-long to all public land users who enter the LTVAs.

1. The Permit. A permit is required to camp in a designated LTVA between September 15 and April 15. The permit authorizes the permittee to camp within any designated LTVA using those camping or dwelling unit(s) indicated on the permit between the period from September 15 to April 15. There are two types of permits: Long-term and short-visit. The long-term permit fee is \$50.00, U.S. funds only, for the entire season and any part of the season. The short-visit permit is \$10.00 for seven (7) consecutive days. The short-visit permit may be renewed an unlimited number of times for the cost of \$10.00 for seven consecutive days. *No refunds are made on permit fees.*

2. The Permit. To be valid, the short-visit permit or long-term permit decal must be affixed at the time of purchase, with the adhesive backing, to the bottom right hand corner of the windshield of all transportation vehicles and in a clearly visible location on all camping units. A maximum of two (2) secondary vehicles are permitted.

3. Permit Transfers. If you sell, trade, or exchange camping vehicles during the use season, remove the permit from your old vehicle before turning it over to the new owner. Present your permit to a BLM officer authorized to sell permits, or a BLM office which administers an LTVA. The permit will be revised to cover the new camping unit or you will receive a replacement permit for your new vehicle at no cost. The permit may not be reassigned or transferred by the permittee.

4. Permit Revocation. An authorized BLM officer may revoke, without reimbursement, any LTVA permit issued to any person when the permittee violates any BLM rule or regulation, or when the permittee, permittee's family, or guests conduct is inconsistent with the goals of BLM's LTVA Program. Failure to return any LTVA permit to any authorized BLM officer upon demand is a violation of this supplemental rule. Any permittee

whose permit is revoked must remove all property and leave the LTVA system within 12 hours of notice. The revoked permittee will not be allowed into any other LTVA in Arizona or California for the remainder of the LTVA season.

5. Unoccupied Camping Units. Camping or dwelling unit(s) must not be left unoccupied within any LTVA for periods of greater than 5 days unless approved in advance by an authorized BLM officer.

6. Parking. For your safety and privacy, maintain a minimum of 15 feet of space between dwelling units.

7. Removal of Wheels and Campers. Campers, trailers, and other dwelling units must remain mobile. Wheels must remain on all wheeled vehicles. Pickup campers may be set on jacks manufactured for that purpose.

8. Quiet Hours. Quiet hours are from 10 p.m. to 6 a.m. in accordance with applicable state time zone standards.

9. Noise. Operation of audio devices or motorized equipment, including generators, in a manner that makes unreasonable noise that disturbs other visitors is prohibited. Within La Posa and Imperial Dam LTVAs, amplified music is allowed only in locations designated by BLM or when approved in advance by an authorized BLM officer.

10. Access. Do not block roads or trails commonly in public use with your parked vehicles, stones, wooden barricades, or by any other means.

11. Structures and Landscaping. Fixed structures of any type are restricted and must conform to posted policies. This includes, but is not limited to fences, dog runs, storage units, and windbreaks. Alterations to the natural landscape are not allowed. Painting rocks or defacing or damaging any natural or archaeological feature is prohibited.

12. Livestock. Boarding of livestock (horses, cattle, sheep, goats, etc.) within LTVA boundaries is permitted only when approved in advance by an authorized BLM officer.

13. Pets. Pets must be kept on a leash at all times. Keep an eye on your pets. Unattended and unwatched pets may fall prey to coyotes or other desert predators. Pet owners are responsible for cleanup and sanitary disposal of pet waste.

14. Cultural Resources. Do not disturb any archaeological or historical values including, but not limited to, petroglyphs, ruins, historic buildings, and artifacts that may occur on public lands.

15. Trash. Place all trash in designated receptacles. Public trash facilities are shown in the LTVA brochure. Depositing trash or holding-

tank sewage in vault toilets is prohibited. An LTVA permit is required for trash disposal within all LTVA campgrounds except for the Imperial Dam and Mule Mountain LTVAs.

16. Dumping. Absolutely no dumping of sewage, gray water, or garbage on the ground. This includes motor oil and any other waste products. The changing of motor oil, vehicular fluids, or disposal and possession of these used substances within an LTVA is strictly prohibited. Federal, state, and county sanitation laws and county ordinances specifically prohibit these practices. Sanitary dump station locations are shown in the LTVA brochure. LTVA permits are required for dumping within all LTVA campgrounds except for the Imperial Dam and Midland LTVAs.

17. Self-Contained Vehicles. In Pilot Knob, Dunes Vista, Midland, Tamarisk, and Hot Springs LTVAs, camping is restricted to self-contained camping units only. Self-contained units must have a permanent affixed waste water holding tank of 10-gallon minimum capacity. Port-a-potty systems, or systems which utilize portable holding tanks, or permanent holding tanks of less than 10-gallon capacity are not considered to be self-contained. The La Posa, Imperial Dam, and Mule Mountain LTVAs are restricted to self-contained camping units, except within 500 feet of a vault or restroom.

18. Campfires. Campfires are permitted in LTVAs subject to all local, state and federal regulations. Comply with posted rules.

19. Wood Collection. No wood collection is permitted within the boundaries of Mule Mountain, Imperial Dam, and La Posa LTVAs. In permitted wood collection areas, only dead, down, and detached wood may be collected for firewood or hobby purposes. Collection and possession of ironwood is regulated to three pieces, not to exceed 10 pounds total in weight. A maximum of 1 cubic yard (3'x3'x3') natural firewood will be allowed per individual or group campfire at any one time. Please contact the nearest BLM office for current regulations concerning firewood collection.

20. Speed Limit. The speed limit in LTVAs is 15 m.p.h. or as otherwise posted.

21. Off-Highway Vehicle Use. Motorized play is prohibited. Motorized vehicles should be used in LTVAs only for access to and from campsites.

22. Vehicle Use. It is prohibited to operate any vehicle in violation of state or local laws and regulations relating to use, standards, registration, operation, and inspection.

23. Firearms. The discharge or use of firearms or weapons is prohibited inside or within 1/2 mile of the LTVAs.

24. Vending Permits. Any commercial activity requires a vending permit. Please contact the nearest BLM office for information on vending or concession permits.

25. Aircraft Use. Landing or taking off of aircraft, including ultralights and hot air balloons, is prohibited in LTVAs.

26. Perimeter Camping. No camping is allowed within 1 mile of the Hot Spring, Tamarisk, and Pilot Knob LTVA boundaries.

27. Hot Spring LTVA. Food, beverages, glass containers, soap, and pets are prohibited within the fenced-in area at the Hot Springs Spa.

28. Mule Mountain LTVA. All camping within Wiley's Well and Coon Hollow campgrounds is restricted to designated sites only and is limited to one (1) camping or dwelling unit per site.

29. Imperial Dam and La Posa LTVAS. Overnight occupancy is prohibited in desert washes in Imperial Dam and La Posa LTVAs.

30. La Posa LTVA. Access to La Posa LTVA is restricted to legal access roads along U.S. Highway 95. Construction and use of other access points are prohibited. This includes removal and modification of barricades such as fences, ditches, and berms.

31. Posted Rules. Observe all posted rules. Individual LTVAs may have additional specific rules. If posted rules differ from these supplemental rules, the posted rules take precedence.

32. Other Laws. LTVA permit holders are required to observe all Federal, state, and local laws and regulations applicable to the LTVA and shall keep the LTVA and, specifically, their campsite, in a neat, orderly, and sanitary condition.

33. Length of Stay. Length of stay in an LTVA between April 16 and September 14 is limited to 14 days in a 28-day period. After the 14th day of occupation, campers must move outside of a 25-mile radius of the previous location.

The following are the revised boundaries for the LTVAs located within the California Desert District, El Centro Resource Area.

Dunes Vista LTVA

Colorado: Filing of Plats of Survey

August 17, 1995.

The plats of survey of the following described land are officially filed in the Colorado State Office, Bureau of Land Management, Lakewood, Colorado, effective 10 a.m. on August 17, 1995.

The field notes describing the remonumentation of certain original corner points in Township 5 North, Range 92 West, of the Sixth Principal Meridian, Colorado, as provided for in the Special Instructions, Group No. 750, dated July 16, 1982, "Investigation of Physical Evidence of Corner Positions and Accessories when Needed", was accepted August 4, 1995.

The field notes describing the remonumentation of certain original corner points in Township 9 North, Range 98 West, of the Sixth Principal Meridian, Colorado, as provided for in the Special Instructions, Group No. 750, dated July 16, 1982, "Investigation of Physical Evidence of Corner Positions and Accessories when Needed", was accepted August 4, 1995.

The field notes describing the remonumentation of certain original

corner points in Township 4 North, Range 101 West, of the Sixth Principal Meridian, Colorado, as provided for in the Special Instructions, Group No. 750, dated July 16, 1982, "Investigation of Physical Evidence of Corner Positions and Accessories when Needed", was accepted August 4, 1995.

The plat representing the dependent resurvey of a portion of the east boundary of Township 7 South, Range 89 West (Eleventh Guide Meridian West), portions of the south, east, and north boundaries, portions of the sectional correction line and sectional guide meridian, a portion of the subdivisional lines, a portion of Tract 37, and portions of certain private land claims, and the subdivision of certain sections, Township 7 South, Range 88 West, Sixth Principal Meridian, Group 794, Colorado, was accepted June 30, 1995.

The plat representing metes-and-bounds survey in certain sections and in Tract 49, Township 43 North, Range 10 West, New Mexico Principal Meridian, Group 799, Colorado, was accepted July 21, 1995.

These surveys were executed to meet certain administrative needs of this Bureau.

The plat representing the dependent resurvey of a portion of the north boundary of the Southern Ute Indian Reservation, a portion of the south boundary, the west boundary, a portion of the subdivisional lines, and the survey of the subdivision of certain sections of Township 34 North, Range 13 West, South of the Ute Line, New Mexico Principal Meridian, Group 1024, Colorado, was accepted July 12, 1995.

This survey was executed to meet certain administrative needs of the Southern Ute Indian Reservation and the Bureau of Reclamation.

The plat representing the dependent resurvey of a portion of the west boundary of Township 33 North, Range 13 West, the east boundary of Township 33 North, Range 15 West, and the south boundary of Township 34 North, Range 14 West, and the survey of the subdivisional lines of Township 33 North, Range 14 West, New Mexico Principal Meridian, Group 1029, Colorado, was accepted July 27, 1995.

This survey was executed to meet certain administrative needs of the Ute Mountain Ute Tribe.

The plat representing the dependent resurvey of certain subdivisional lines and the subdivision of sections 23 and 24, in Township 42 North, Range 10 West, of the New Mexico Principal Meridian, Group 1068, Colorado, was accepted July 27, 1995.

This survey was executed to meet certain administrative needs of the U.S. Forest Service.

The plat representing the dependent resurvey of a portion of the east boundary Township 12 North, Range 91 West, a portion of the subdivisional lines, the subdivision of sections 24 and 25, and a Traverse of the center-line of Moffat County Road 101, as constructed in Sections 24 and 25, Township 12 North, Range 91 West, Sixth Principal Meridian, Group 1088, Colorado, was accepted July 28, 1995.

The supplemental plat depicting the correct boundary of lot 13 and eliminating lots 5 and 6 in section 14 and eliminating lot 8 in section 13, Township 1 North, Range 3 West, Ute Principal Meridian, Colorado, was approved July 21, 1995.

The supplemental plat creating lot 20 from cancelled Mineral Survey No. 52B, Plata Verde Mill Site, Township 22 South, Range 72 West, Sixth Principal Meridian, Colorado, was approved July 28, 1995.

These surveys were executed to meet certain administrative needs of this Bureau.

Darryl A. Wilson,

Chief Cadastral Surveyor for Colorado.
