13 CFR Part 108

Loans to State and Local Development Companies Section 504 Loan Program Amendments

AGENCY: Small Business Administration.

ACTION: Notice of proposed rulemaking.

SUMMARY: This proposed rule revises the regulations governing the collection of fees and the utilization of interest accruing in accounts established to administer the 504 loan program in order to permit the flexibility required in negotiating with private sector entities for the delivery of the 504 program.

DATES: Comments must be received on or before October 10, 1995.

ADDRESSES: Comments should be sent to LeAnn M. Oliver, Acting Director, Office of Rural Affairs and Economic Development, Small Business Administration, 409 3rd Street SW., suite 8300, Washington DC 20416.

FOR FURTHER INFORMATION CONTACT: LeAnn M. Oliver, Acting Director, Office of Rural Affairs and Economic Development, Small Business Administration, Telephone (202) 205-6485.

SUPPLEMENTARY INFORMATION: The proposed rule would amend the rule governing the Central Servicing Agent (CSA) functions. The existing 504 program regulations were promulgated based upon the Agency's experience with a predecessor program. Sufficient experience has accumulated to allow the codification of approaches that have arisen in the administration of the program. This rule clarifies that: (1) Fees can be collected from the borrower of the proceeds of a debenture guaranteed under the program as a one-time initiation fee or a monthly servicing fee, (2) fees can be paid to the CSA from either a specific borrower's payment or from aggregated funds collected pursuant to a master service agreement, and (3) clarifies that 503 companies are to receive periodic pro rata disbursements of interest accruing on loan payments in the Master Reserve Account pending the debenture payment date.

Compliance with Executive Orders 12612, 12778, and 12866, the Regulatory Flexibility Act and the Paperwork Reduction Act.

Executive Order 12866 and Regulatory Flexibility Act

SBA certifies that this proposed rule, if adopted, would *not* be a significant regulatory action for purposes of Executive Order 12866 and, for purposes of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, would not have a significant economic impact on a substantial number of small entities, for the following reasons:

1. It would *not* result in an annual economic effect of \$100 million or more or adversely affect in a material way the

economy, a sector or the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities.

2. It would *not* create a serious inconsistency or otherwise interfere with an action taken or planned by another agency.

3. It would *not* materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof.

4. It would *not* raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in E.O. 12866

Executive Order 12612

SBA certifies that this rule, if adopted, would have no Federalism implications warranting the preparation of a Federalism Assessment in accordance with Executive Order 12612.

Paperwork Reduction Act

For purposes of the Paperwork Reduction Act, 44 U.S.C. Ch. 35, SBA hereby certifies that this proposed rule, if adopted, would impose no new reporting or recordkeeping requirements.

Executive Order 12778

SBA certifies that this proposed rule is drafted, the extent practicable, in accordance with the standards set forth in section 2 of E.O. 12778.

PART 108—[AMENDED]

1. The authority citation for part 108 continues to read as follows:

§ 108.504 [Amended]

2. Section 108.504(e) is revised to read as follows:

* * * * *

(e) *Central Servicing Agent.* This subsection supersedes § 108.503-11 for loans funded under Section 504 and is applicable to all such loans whenever funded.

(1) SBA, in a master servicing agreement, shall designate a Central Servicing Agent (CSA) to act for all 503 companies participating in the sale of 504 Debentures, to ensure uniformity

and the orderly flow of funds among 504 loan recipients, 503 companies, and the Trustee or Transfer Agent (see § 108.505(f)(3) of this part). Pursuant to such master servicing agreement, in consideration of SBA's guaranty of the 503 company's debenture(s), the 503 Company, with the borrower's consent shall enter into a servicing agent agreement (504 program), SBA Form 1506, with the CSA. Execution of such form shall constitute acceptance by the 503 company and the borrower of the terms of the master servicing agreement. Amendments may be made in the terms and conditions of the master servicing agreement as necessary to adapt to changing program needs.

(2) The borrower may be charged an initiation fee and/or a monthly servicing fee as prescribed by Form 1506, which shall be in addition to the fees and charges permitted by § 108.503-6 of this part.

(3) The CSA may be compensated through an initiation fee and/or a monthly service fee. Pursuant to instructions in the master servicing agreement, the CSA's compensation may be paid from initiation fees on specific loans or from aggregated service fees.

(4) SBA Form 1506 shall prescribe the deposits into and the disbursements from a master reserve account, set up by the CSA pursuant to said master servicing agreement. The master reserve account shall be funded by a reserve deposit, and a funding fee to be published from time to time in the **Federal Register**, and by principal and interest payments of 504 loans. SBA shall add funds pursuant to its guaranty to insure the full and timely payment of the debentures in the event a borrower fails to make full and timely payment on its 504 loan. Funds in the master reserve account shall be used to defray expenses of the program described under paragraph (b) of this section. Interest accruing on loan payments between the date of monthly payment and the debenture payment date shall be paid to the 503 company servicing the loan and shall be disbursed to 503 companies periodically on a pro rata basis. Funds in the master reserve escrow account representing interest earned prior to October 1991 and not distributed to a specific 503 company may be expended by SBA for the purposes of program administration.

[Docket No. 94-SW-16-AD]

Airworthiness Directives; Bell Helicopter Textron, Inc. Model 206A and 206B Helicopters

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of Proposed Rulemaking (NPRM).

SUMMARY: This document proposes the superseding of an existing airworthiness directive (AD), applicable to Bell Helicopter Textron, Inc. (BHTI) Model 206A and 206B helicopters, that currently requires an inspection of the main transmission input driveshaft assembly (driveshaft) at intervals of 300 hours time-in-service (TIS); the application of a zinc chromate primer inspection visual aid; and, daily visual checks of the driveshaft. This action would require inspections of the driveshaft at intervals of 300 hours TIS; the application of a self-adhesive temperature indicator visual inspection aid; and, preflight visual owner/operator (pilot) checks of the driveshaft. This proposal is prompted by recent studies that indicate that self-adhesive temperature indicators are a more reliable means of detecting overheated conditions on grease-lubricated couplings than the zinc chromate primers that are currently in use. The actions specified by the proposed AD are intended to prevent failure of the driveshaft due to coupling wear or overheating, which could result in loss of power to the main rotor and a subsequent forced emergency landing.

DATES: Comments must be received by November 7, 1995.
