**Application Procedures, Execution and  
Filing of Forms: Correction of State  
Office Addresses for Filings and  
Recordings, Proper Offices for  
Recording of Mining Claims**

**AGENCY:** Bureau of Land Management,  
Interior.

**ACTION:** Final rule.

**SUMMARY:** This administrative final rule  
amends the regulations pertaining to  
execution and filing of forms in order to  
reflect the new address of the Wyoming  
State Office of the Bureau of Land  
Management (BLM), which moved in  
September 1995. All filings and other  
documents relating to public lands in  
Wyoming and Nebraska must be filed at  
the new address of the State Office.

**EFFECTIVE DATE:** October 1, 1995.

**FOR FURTHER INFORMATION CONTACT:** Ted  
Hudson, (202) 208-4256.

**SUPPLEMENTARY INFORMATION:** This administrative final rule reflects the administrative action of changing the address of the Wyoming State Office of BLM. It changes the street address for the personal filing of documents relating to public lands in Wyoming and Nebraska, but makes no other changes in filing requirements.

Specifically, it does not change the mailing address of the Wyoming State Office, but only the street address. Therefore, this amendment is published as a final rule with the effective date shown above.

Because this final rule is an administrative action to change the address for one BLM State Office, BLM has determined that it has no substantive impact on the public. It imposes no costs, and merely updates a list of addresses included in the Code of Federal Regulations for the convenience of the public. The Department of the Interior, therefore, for good cause finds under 5 U.S.C. 553(b)(B) and 553(d)(3) that notice and public procedure thereon are unnecessary and that this rule may take effect upon publication.

Because this final rule is a purely administrative regulatory action having no effects upon the public or the environment, it has been determined that the rule is categorically excluded from review under Section 102(2)(C) of the National Environmental Policy Act (42 U.S.C. 4332(2)(C)).

This rule was not subject to review by the Office of Management and Budget under Executive Order 12866.

As required by Executive Order 12630, the Department of the Interior has determined that the rule would not cause a taking of private property. No private property rights would be affected by private property. No private property rights would be affected by a rule that merely reports address changes for BLM State Offices. The Department therefore certifies that this proposed rule does not represent a governmental action capable of interference with constitutionally protected property rights.

Further, the Department has determined under the Regulatory Flexibility Act (5 U.S.C. 601, *et seq.*) that it will not have a significant economic impact on a substantial number of small entities. Reporting address changes for BLM State Offices will not have any economic impact whatsoever.

This rule does not contain information collection requirements that require approval by the Office of Management and Budget under 44 U.S.C. 3501 *et seq.*

The Department hereby certifies that this proposed rule meets the applicable standards provided in Sections 2(a) and 2(b)(2) of Executive Order 12778.
