BILLING CODE 6210-01-F

Stichting Prioriteit ABN AMRO Holding; Notice to Engage in Certain Nonbanking Activities

Stichting Prioriteit ABN AMRO Holding, *Stichting Administratiekantoor ABN AMRO Holding*, *ABN AMRO Holding N.V.*, and *ABN AMRO Bank N.V.*, all of Amsterdam, The Netherlands (collectively, *Notificants*), have provided notice pursuant to section 4(c)(8) of the Bank Holding Company Act (12 U.S.C. 1843(c)(8)) (BHC Act) and § 225.23(a)(3) of the Board's Regulation Y (12 CFR 225.23(a)(3)), to retain their interest in *Alfred Berg, Inc.*, New York, New York (*Alfred Berg*), and thereby engage in the following activities:

1. Underwriting and dealing in debt and equity securities, other than interests in open-end investment companies;

2. Acting as agent in the private placement of securities;

3. Acting as riskless principal in the purchase and sale of all types of securities on behalf of customers;

4. Providing full service securities brokerage services; and

5. Providing investment advisory services.

Notificants propose that *Alfred Berg* engage in these activities throughout the world.

Section 4(c)(8) of the BHC Act provides that a bank holding company may, with Board approval, engage in any activity which the Board, after due notice and opportunity for hearing, has determined (by order or regulation) to be so closely related to banking or managing or controlling banks as to be a proper incident thereto. This statutory test requires that two separate tests be met for an activity to be permissible for a bank holding company. First, the Board must determine that the activity is, as a general matter, closely related to banking. Second, the Board must find in a particular case that the performance of the activity by the applicant bank holding company may reasonably be expected to produce public benefits that outweigh possible adverse effects.

A particular activity may be found to meet the "closely related to banking" test if it is demonstrated that banks generally have provided the proposed activity, that banks generally provide services that are operationally or functionally similar to the proposed activity so as to equip them particularly well to provide the proposed activity, or that banks generally provide services that are so integrally related to the proposed activity as to require their provision in a specialized form.

National Courier Ass'n v. Board of Governors, 516 F.2d 1229, 1237 (D.C. Cir. 1975). In addition, the Board may consider any other basis that may demonstrate that the activity has a reasonable or close relationship to banking or managing or controlling banks. Board Statement Regarding Regulation Y, 49 FR 806 (1984).

Notificants maintain that the Board previously has determined by order and regulation that the activities listed in paragraphs 2 through 5 are closely related to banking. See 12 CFR 225.25(b)(4) (investment advisory services); 12 CFR 225.25(b)(15) and *PNC Financial Corp.*, 75 Federal Reserve Bulletin 396 (1986) (full services securities brokerage); *Bankers Trust New York Corporation*, 75 Federal Reserve Bulletin 829 (1989) (acting as agent in the private placement of securities and purchasing and selling securities on the order of investors as a
