

approved on November 2, 1994. To consult with those who have an interest in the progress of the INS Strategic Plan, the Service is accepting written comments. Written comments, limited to a maximum of 3 pages, should address what you believe are the major issues confronting INS in meeting initiatives set forth in the Strategic Plan, and the recommended strategies for moving INS in desired directions to properly address those major issues. Also, in accordance with Executive Order 12862, "Setting Customer Service Standards," the INS is setting standards but we want to continue to canvass our stakeholders as we work towards the future in managing our agency.

The INS will also be holding a Stakeholders' Workshop on October 23, 1995, to further solicit the views and opinions of Congressional staff, Federal agencies, immigration groups, members of the public, and other parties which have a "stake" in the future actions of INS. The 1-day workshop will be structured to encourage participants to have open dialogue about the major issues that INS needs to consider in addressing initiatives within the Strategic Plan. The workshop will be structured in breakout sessions led by professional facilitators. Participants should have knowledge and understanding of immigration issues. Attendees will be expected to participate in the breakout sessions and to provide direct input during discussions. The information compiled in the breakout sessions will be documented and presented in the afternoon during a breakout session.
