DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

Office of the Assistant Secretary for Housing—Federal Housing Commissioner

[Docket No. FR-3927-N-02]

Notice of Submission of Proposed Information Collection to OMB

AGENCY: Office of the Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for emergency review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

DATES: Comments due date: October 10, 1995.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments must be received within seven (7) days from the date of this Notice. Comments should refer to the proposal by name and should be sent to: Joseph F. Lackey, Jr., OMB Desk Officer, Office of Management and Budget, New Executive Office Building, Washington, DC 20503.

Copies of the proposed forms and other available documents submitted to OMB may be obtained from Ms. Weaver.

SUPPLEMENTARY INFORMATION: This Notice informs the public that the Department of Housing and Urban Development has submitted to OMB, for emergency processing, an information collection package with respect to regulations in Subpart H of 24 CFR 235.1200, et seq. [FR-3927]. HUD seeks to enhance the program by providing for the payment by HUD, rather than by the mortgagee, of the incentive to the mortgagors and of specific refinancing costs, and by limiting the origination of these loans to the number of approved mortgagees that would make the program most attractive.

Congress added section 235 to the National Housing Act (12 U.S.C. 1715z) (the Act) in 1968. This provision authorized the Secretary to insure mortgages so that lower income families

could acquire housing. Section 235 also authorized the Secretary to assist the mortgagor by contracting with the mortgagee to make a portion of the mortgage payments on behalf of the mortgagor. Many of the mortgages insured under section 235, which are still outstanding, were made during the high interest rate years of 1980, 1981, and 1982. HUD would be able to save substantial amounts of assistance payments if the mortgages were refinanced at current lower interest rates. Congress enacted section 235(r) of the Act in 1988, so that mortgages insured and assisted under section 235 of the National Housing Act could be refinanced at a reduced interest rate.

Notice of Submission of Proposed Information Collection to OMB

Proposal: Revision to the Section 235(r) Refinancing Procedures (FR-3927)
Office: Office of Insured Single Family
Description of the need for the information and its proposed use:

The information is collected by the originating lender from the mortgage application and is used by the

originating lender to process the applications for Section 235(r) mortgage insurance and assistance. The applications are underwritten certified by the originating lender.

The information is needed for the evaluation of the applications, the Department's financial management and accounting system(s) and the Department's monitoring of the origination and servicing activities of the lender.

If the information is not collected the originating lender cannot make the proper underwriting decision and the Department's data base would be incomplete for its financial management and accounting system(s). Furthermore, the Department's efforts to monitor the originating and servicing activities of the lender would be debilitated.

Form Numbers: HUD-92900 and HUD-93114

Respondents: Approximately 23,000 (each potential mortgage refinance transaction is an equivalent respondent)
