

astronomy, research and receiving installations.

Form No.: None.

Type of Review: Extension of existing collection.

Respondents: Businesses or other for-profit.

Number of Respondents: 30.

Estimated Time Per Response: 1 hour.

Total Annual Burden: 30 hour.

Needs and Uses: Section 73.1030 requires licensees to provide simultaneous written notification to the Interference Office at Green Bank, West Virginia, when an application is filed with the FCC proposing to operate a short-term broadcast auxiliary station; or an applicant seeks authority to construct a new broadcast station; or authority to make changes in the frequency, power, antenna height, or antenna directivity of an existing station within the geographical coordinates of the National Radio Astronomy Observatory site in Green Bank, West Virginia; or the Naval Radio Research Observatory site at Sugar Grove, West Virginia. The data are used by the Interference Office to enable them to file comments or objections with the FCC in response to the notification in order to minimize potential harmful interference to the observatories.

OMB Approval Number: 3060-0184.

Title: Section 73.1740 Minimum Operating Schedule.

Form No.: None.

Type of Review: Extension of existing collection.

Respondents: Businesses or other for-profit.

Number of Respondents: 405.

Estimated Time Per Response: 0.5 hours.

Total Annual Burden: 203 hours.

Needs and Uses: Section 73.1740 requires licensees of commercial broadcast stations to notify the FCC in Washington, DC, when events beyond their control make it impossible to continue operation or to adhere to the required operating schedules set forth in this section. In addition, the FCC must be notified when normal operation is resumed. No further authority is needed for limited operation or discontinued operation for a period not exceeding 30 days. Should events beyond the licensees control make it impossible for compliance within the required 30-day time period, an informal written request shall be submitted to the FCC requesting the amount of additional time that the licensee deems necessary. The data are used by FCC staff to authorize temporarily a limited operation or a discontinuance of operation.

OMB Approval Number: 3060-0449.

Title: Section 1.65(c) Substantial and significant changes in information furnished by applicants to the Commission.

Form Number: None.

Type of Review: Extension of existing collection.

Respondents: Business or other for-profit.

Number of Respondents: 6.

Estimated time per response: 1 hour 30 minutes.

Total annual burden: 9.

Needs and Uses: Section 1.65(c) requires broadcast permittees and licensees to report annually any finding or adverse final action that involves conduct bearing on their character qualifications. This information enables the Commission to determine whether broadcast permittees and licensees maintain the requisite character qualifications to be a broadcast permittee or licensee during their license term.

OMB Approval Number: 3060-0174.

Title: Section 73.1212, Sponsorship identification; list retention, related requirements.

Form No.: N/A.

Type of Review: Extension of an existing collection.

Respondents: Businesses or other for-profit.

Number of Respondents: 11,342.

Estimated Time Per Response: .1 hours/per response; 4.0 hours/per response.

Total Annual Burden: 43,368.

Needs and Uses: Section 73.1212 requires a broadcast station to identify the sponsore of any matter for which consideration is provided. For matters advertising commercial products or services, generally the mention of the name of the product or service constitutes sponsorship identification. In addition, when an entity rather than an individual sponsors the broadcast of a matter that is of a political or controversail nature, licensee is required to retain a list of the executive officers, or borad of directors, or executive committee, etc., of the organization paying for such matter. Sponsorship announcements are waived with respect to the braodcast of "want ads" sponsored by an individual but the

licensee shall maintain a list showing the name, address and telephone number of each such advertiser. These lists shall be made available for public inspection. The data is used by the public so that they may know by whom they are being persuaded.
