

In this case, we received no requests for review for five consecutive review periods. Furthermore, no domestic interested party, as defined under § 353.2 (k)(3), (k)(4), (k)(5), or (k)(6) of the Department's regulations, has expressed opposition to revocation. Based on these facts, we have concluded that the antidumping duty order on amorphous silica filament fabric from Japan is no longer of any interest to interested parties. Accordingly, we are revoking this antidumping duty order in accordance with 19 CFR 353.25(d)(4)(iii).

Scope of the Order

Imports covered by the revocation are shipments of amorphous silica filament fabric from Japan. This merchandise is currently classifiable under Harmonized Tariff Schedules (HTS) item numbers 7019.20.50 and 7019.20.20. The HTS numbers are provided for convenience and customs purposes. The written description remains dispositive.

This revocation applies to all unliquidated entries of amorphous silica filament fabric from Japan entered, or withdrawn from warehouse, for consumption on or after September 1, 1995. Entries made during the period August 1, 1994, through July 31, 1995, will be subject to automatic assessment in accordance with 19 CFR 353.22(e). The Department will instruct the Customs Service to proceed with liquidation of all unliquidated entries of this merchandise entered, or withdrawn from warehouse, for consumption on or after September 1, 1995, without regard to antidumping duties, and to refund any estimated antidumping duties collected with respect to those entries. This notice is in accordance with 19 CFR 353.25(d).

Dated: November 2, 1995.

Initiation of New Shipper Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of initiation of new shipper antidumping duty administrative review, Certain Compact Ductile Iron Waterworks Fittings and Glands (CDIW), from the People's Republic of China (PRC), A-570-820.

SUMMARY: The Department of Commerce (the Department) has received a request to conduct a new shipper administrative

review of the antidumping duty order on CDIW from the PRC which has a September anniversary date. In accordance with Department Regulations, we are initiating this administrative review.

EFFECTIVE DATE: November 14, 1995.

FOR FURTHER INFORMATION CONTACT:

Holly A. Kuga, Office of Antidumping Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, telephone: (202) 482-4737.

SUPPLEMENTARY INFORMATION:

Background

The Department has received a timely request from Beijing M Star Pipe Corp., Ltd. (BMSP), in accordance with interim regulation 19 CFR 353.22(h) (1995), for a new shipper review of the antidumping duty order on CDIW from the PRC which has a September anniversary date. BMSP has certified that it did not export CDIW to the U.S. during the period of investigation (POI), and that it is not affiliated with any exporter or producer which did export CDIW during the POI. This certification is in accordance with section 751(a)(2)(B) of the Tariff Act of 1930 as amended, and the Department's interim regulations, 19 CFR 353.22(h). Therefore, we are initiating the new shipper review as requested. However, it is the Department's usual practice with non-market economies to require information regarding de jure and de facto government control over a company's export activities to establish its eligibility for an antidumping duty rate separate from the country-wide rate. Accordingly we will issue a separate rates questionnaire to BMSP and seek additional information from the PRC government (as appropriate), allowing 30 days for response. If the responses from BMSP and the PRC government indicate adequately that BMSP is not subject to de jure and de facto government control with respect to its exports of CDIW, the review will proceed. If, on the other hand, BMSP does not demonstrate its eligibility for a separate rate, BMSP will be deemed to be affiliated with other companies that exported during the POI that did not establish their entitlement to a separate rate, and the review will be terminated.

Initiation of Review

In accordance with 19 CFR 353.22(h), we are initiating a new shipper review of the antidumping duty order on CDIW from the PRC. If this review proceeds

normally, we will issue the final results of review not later than July 31, 1996.

Antidumping duty proceeding	Period to be reviewed
People's Republic of China: Certain Compact Ductile Iron Waterworks Fittings and Glands, A-570-820, Beijing M Star Pipe Corp., Ltd.	02/01/95-08/31/95

We will instruct the U.S. Customs Service to allow, at the option of the importer, the posting, until the completion or termination of the review, of a bond or security in lieu of a cash deposit for each entry of the merchandise in accordance with section 751(a)(2)(B)(iii) and 19 CFR 353.22(h)(4) (1995).

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 353.34(b).

This initiation and this notice are in accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended and 19 CFR 353.22(h).

Joseph A. Spetrini,

Deputy Assistant Secretary for Compliance.
