

DEPARTMENT OF JUSTICE**Notice of Lodging of Consent Decree Pursuant to the Clean Air Act**

In accordance with Departmental policy, 28 CFR 50.7, notice is hereby given that a proposed consent decree in *United States v. Colorado Refining Company*, Civil Action No. 95-WY-2608 (D. Colo.), was lodged on October 13, 1995, with the United States District Court for the District of Colorado.

The settlement concerns the petroleum refinery owned and operated by Colorado Refining Company ("CRC") in Commerce City, Colorado. CRC's refinery is subject to a Clean Air Act "Prevention of Significant Deterioration" or "PSD" permit which limits sulfur dioxide emissions from a "Claus Plant," and also requires CRC to maintain a continuous emission monitoring ("CEM") system to measure SO₂ emissions from the Claus Plant. The settlement resolves civil claims that CRC violated the permit limit on sulfur dioxide emissions from the Claus Plant numerous times between July 1990 and March, 1994, and that CRC failed to operate at all times a continuous emissions monitoring ("CEM") device to measure SO₂ in the gases discharged to the atmosphere.

The settlement includes a civil penalty of \$320,000. In addition, CRC is required to obtain a report from a nationally recognized expert in the field of sulfur recovery technology regarding modifications and/or upgrades of the existing Claus Plant to make it effectively operate given the existing and anticipated sulfur "flowthrough" at the refinery, and, subject to EPA's approval, implement the recommendations of such expert report.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the proposed consent decree. Comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources Division, Department of Justice, Washington, D.C. 20530, and should refer to *United States v. Colorado Refining Company*, Civil Action No. 95-WY-2608 (D. Colo.), DOJ Ref. #90-5-2-1-1356A. Notice of Lodging of First Amendment to Consent Decree in United States v. Louisiana-Pacific, Inc. and Kirby Forest Industries, Inc.

In accordance with Departmental policy, 28 CFR 50.7, (38 FR 19029, March 29, 1984), notice is hereby given that a proposed First Amendment to Consent Decree in *United States v. Louisiana-Pacific, Inc. and Kirby Forest Industries, Inc.*, Civil Action No. 93-0869, was lodged with the United States District Court for the Western District of Louisiana on October 6, 1995.

The original Consent Decree in this action, lodged on May 24, 1993 and entered by the Court on September 30, 1993, required the installation of improved pollution control devices at fourteen Louisiana-Pacific, and Kirby Forest Industries' plants located in eleven states. The Decree also required Defendants to conduct an environmental audit of all of their facilities and management and to employ corporate and plant environmental managers responsible for compliance with environmental statutes at their wood panel plants.

The First Amendment to Consent Decree reflects changes resulting from additional experience with and analysis of the Regenerative Thermal Oxidation ("RTO") pollution control devices required by the Decree, from testing which determined that additional Louisiana-Pacific facilities were major emitting facilities under the Clean Air Act, thus requiring the installation of RTOs, and from permitting, construction scheduling and other developments since entry of the original Decree.

The Department of Justice will receive, for thirty (30) days from the date of publication of this notice, written comments relating to the proposed First Amendment to Consent Decree. Comments should be addressed

to the Assistant Attorney General, Environment and Natural Resources Division, U.S. Department of Justice, Washington, D.C. 20530 and should refer to *United States v. Louisiana-Pacific, Inc. and Kirby Forest Industries, Inc.*, D.O.J. Ref. No. 90-5-2-1-1823.

The proposed First Amendment to Consent Decree may be examined at the office of the United States Attorney, 705 Jefferson Street, Room 305, Lafayette, Louisiana, 70501; the Region VI Office of the Environmental Protection Agency, 1445 Ross Avenue, 12th Floor, Suite 1200, Dallas, Texas 75202; and at the Consent Decree Library, 1120 G Street, N.W., 4th Floor, Washington, D.C. 20005, (202) 624-0892. A copy of the proposed First Amendment to Consent Decree may be obtained in person or by mail from the Consent Decree Library, 1120 G Street, N.W., 4th Floor, Washington, D.C. 20005. In requesting a copy please refer to the referenced case and enclose a check in the amount of \$4.25 (25 cents per page reproduction costs), payable to the Consent Decree Library.
