

NAAIDC Acquired Immunodeficiency Syndrome Subcommittee will be open to the public from 8 a.m. until recess on January 30, and from 8 a.m. until adjournment on January 31. The subcommittee will meet in the Executive Board Conference Room at the Natcher Building.

In accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5, U.S.C. and section 10(d) of Public Law 92-463, the meeting of the NAAIDC Acquired Immunodeficiency Syndrome Subcommittee, NAAIDC Allergy and Immunology Subcommittee and the NAAIDC Microbiology and Infectious Diseases Subcommittee will be closed to the public for approximately four hours for review, evaluation, and discussion of individual grant applications. It is anticipated that this will occur from 8 a.m. until approximately 1 p.m. on January 29, in conference rooms 7, 8 and 6 respectively. The meeting of the full Council will be closed from 3:30 p.m. until recess on January 29 for the review, discussion, and evaluation of individual grant applications. These applications and the discussions could reveal confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the applications, disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Ms. Claudia Goad, Committee Management Officer, National Institute of Allergy and Infectious Diseases, Solar Building, Room 3C26, National Institutes of Health, Bethesda, Maryland 20892, 301-496-7601, will provide a summary of the meeting and a roster of committee members upon request. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should contact Ms. Goad in advance of the meeting.

Dr. John J. McGowan, Director, Division of Extramural Activities, NIAID, NIH, Solar Building, Room 3C20, 6003 Executive Boulevard, Rockville, Maryland 20892, telephone 301-496-7291, will provide substantive program information.

Office of Science Education; Notice of Meeting

Notice is hereby given that the Office of Science Education (OSE), Office of the Director, National Institutes of Health (NIH), will hold a public meeting on December 11, 1995, from 8:30 a.m. to 4:30 p.m., at the Hyatt Regency Bethesda Hotel, One Bethesda Metro Center, Bethesda, MD 20814. This meeting has been rescheduled from November 20, 1995, as published in the November 15, 1995, Federal Register.

The purpose of this meeting is to give members of the public who are interested in the development of the NIH Undergraduate Scholarship Program for Individuals from Disadvantaged Backgrounds (UGSP) an opportunity to express their views on how that program should be implemented. The UGSP is authorized under Public Law 103-43, U.S. Public Health Service Act Section 487D. The UGSP will offer full-time undergraduate students enrolled or accepted for enrollment at accredited institutions of higher education, who are from disadvantaged backgrounds, scholarships of up to \$20,000 per year, to pursue academic programs appropriate for careers in professions needed by the NIH. For each year of scholarship support, the recipient must serve at least 10 consecutive weeks of service as an employee at the NIH, and, within 60 days after obtaining the educational degree involved, the individual must begin serving full-time as an employee of the NIH. The service commitment will be one year of service for each academic year of support as outlined at U.S. Public Health Service Act Section 487D(c).

Consultants to the OSE will be present to discuss the development of the UGSP. The information collected from these consultants, as well as any information collected from the public, will be used to assist the OSE to identify issues and strategies in the development of the UGSP.

This meeting is open to the public. However, attendance will be limited by seat availability. Information to be offered at the public meeting should be confined to comments relating to the recruitment and retention of disadvantaged students for the UGSP, and the indicators of success for careers in biomedical research. If an individual is representing an organization, only one representative may present oral comments. Each speaker will be permitted 3-5 minutes for his/her presentation.
