Amended Order and Final Determination of Sales at Less Than Fair Value: Ferrosilicon From Venezuela

AGENCY: Import Administration, International Trade Administration, Department of Commerce.
ACTION: Notice of Amendment to Final Determination of Sales at Less Than Fair Value: Ferrosilicon From Venezuela.

SUMMARY: On May 15, 1995, the Department of Commerce (the Department) submitted to the Court of International Trade (CIT) the final results of redetermination pursuant to a court remand in *Aimcor, et al. v. United States* (Slip Op. 94-192, December 13, 1994). On September 16, 1995, the CIT affirmed our redetermination (Slip Op. 94-192). In accordance with that affirmation, we are hereby amending the *Final Determination of Sales at Less Than Fair Value: Ferrosilicon from Venezuela* 58 FR 27522 (May 10, 1993). We have recalculated the margin for the sole respondent in the investigation, CVG-Venezolana de Ferrosilicio C.A. (CVG-FESILVEN), as well as the "All Others" rate, as follows:

Manufacturer/exporter	Margin (percent)
CVG-FESILVEN	15.01
All others	15.01

EFFECTIVE DATE: December 13, 1995.
FOR FURTHER INFORMATION CONTACT: Shawn Thompson, Office of Antidumping Investigations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution

Avenue NW., Washington, D.C. 20230; telephone: (202) 482-1776.

SUPPLEMENTARY INFORMATION:
 Background

On December 13, 1994, the CIT, in *Aimcor, et al. v. United States* (Slip Op. 94-192), remanded to the Department for redetermination the *Final Determination of Sales at Less Than Fair Value: Ferrosilicon from Venezuela* 58 FR 27522 (May 10, 1993). In its remand order, the Court granted the Department's request to reconsider the issue of CVG-FESILVEN'S depreciation costs, and instructed the Department to determine whether CVG-FESILVEN'S depreciation costs should be based on the revalued amount shown in the company's 1991 financial statements.

In the Department's final determination, the dumping margin for CVG-FESILVEN was 9.55 percent. CVG-FESILVEN'S dumping margin was based on using CVG-FESILVEN'S historical costs of its assets to calculate depreciation expenses.

Final Remand Results

In accordance with the CIT's order, the Department reconsidered its final determination with respect to Ferrosilicon from Venezuela. Upon redetermination, we find that we should base depreciation costs on the revalued amount of CVG-FESILVEN'S fixed assets. Accordingly, we revised CVG-FESILVEN'S cost of production (COP) to include the depreciation expense related to the company's asset revaluation.

We incorporated the revised COP in our cost test analysis. We also included the revised depreciation amount in our calculation of constructed value (CV) and then incorporated the revised CV into the margin calculations, as appropriate.

Final Results of Redetermination

On September 16, 1995, the CIT affirmed our redetermination (Slip Op. 94-192). Because no party appealed that affirmation to the Court of Appeals for the Federal Circuit, that decision has become the "final and conclusive" decision in this action. *See Timkin v. United States*, 893 F.2d 337 (Fed. Cir. 1990). Therefore, in accordance with that affirmation, we are hereby amending the final determination and order with respect to CVG-FESILVEN'S and the "all others" rates. The revised weighted-average margin for both is 15.01 percent.

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. The Department will issue

appraisal instructions directly to the Customs Service.

This notice is in accordance with section 516(a)(e) of the Tariff Act of 1930, as amended.

Dated: December 4, 1995.
 Susan G. Esserman,
Assistant Secretary for Import Administration.
