The Federal Register is published in paper, 24x microfiche and as an online database through *GPO Access*, a service of the U.S. Government Printing Office. The online database is updated by 6 a.m. each day the Federal Register is published. The database includes both text and graphics from Volume 59, Number 1 (January 2, 1994) forward. Internet users can access the database by using the World Wide Web; the Superintendent of Documents home page address is http://www.access.gpo.gov/su_docs/, by using local WAIS client software, or by telnet to swais.access.gpo.gov, then login as guest, (no password required). Reader Aids

Additional information, including a list of public laws,
telephone numbers, and finding aids, appears in the Reader
Aids section at the end of this issue.

New Feature in the Reader Aids!

Beginning with the issue of December 4, 1995, a new listing
will appear each day in the Reader Aids section of the
Federal Register called "Reminders". The Reminders will
have two sections: "Rules Going Into Effect Today" and
"Comments Due Next Week". Rules Going Into Effect
Today will remind readers about Rules documents
published in the past which go into effect "today".
Comments Due Next Week will remind readers about
impending closing dates for comments on Proposed Rules
documents published in past issues. Only those documents
published in the Rules and Proposed Rules sections of the
Federal Register will be eligible for inclusion in the
Reminders.
The Reminders feature is intended as a reader aid only.
Neither inclusion nor exclusion in the listing has any legal
significance.
The Office of the Federal Register has been compiling data
for the Reminders since the issue of November 1, 1995. No
documents published prior to November 1, 1995 will be
listed in Reminders.
