In accordance with 30 CFR 256.26, the MMS will hold public hearings to receive comments and suggestions relating to the EIS.

The hearings will be held on the following dates and times indicated:

February 20, 1996, University Plaza Building, Minerals Management Service, 3rd Floor Conference Room, 949 East 36th Avenue, Anchorage, Alaska, 12:00 p.m. (noon)
February 21, 1996, Yakutat High School, Yakutat, Alaska, 7:00 p.m.
February 22, 1996 Mount Eccles Elementary School, Cordova, Alaska, 7:00 p.m.

The hearings will provide the Secretary of the Interior with information from Government agencies and the public which will help in the evaluation of the potential effects of the proposed lease sale.

Interested individuals, representatives of organizations, and public officials wishing to testify at the hearings are asked to contact the Regional Director at the above address or Paul Lowry by telephone (907) 271-6574 or toll free 1-800-764-2627 by February 16, 1996.

Time limitations may make it necessary to limit the length of oral presentations to 10 minutes. An oral statement may be supplemented by a more complete written statement which may be submitted to a hearing official at the time of oral presentation or by mail until April 25, 1996. This will allow those unable to testify at a public hearing an opportunity to make their views known and for those presenting oral testimony to submit supplemental information and comments.

Comments concerning the draft EIS will be accepted until April 25, 1996, and should be addressed to the Regional Director, Minerals Management Service, Alaska Region, 949 East 36th Avenue, Anchorage, Alaska 99508-4302.

Dated: January 18, 1996.
Thomas Gernhofer,
Associate Director for Offshore Minerals Management.

National Park Service

General Management Plan, Tumacacori National Historical Park; Notice of Availability of Supplement to the Draft Environmental Impact Statement

SUMMARY: Pursuant to Section 102 (2) (C) of the National Environmental Policy Act of 1969 (Pub.L. 91-190 as amended), the National Park Service, Department of the Interior, has prepared a Supplement to the Draft Environmental Impact Statement assessing the potential impacts of a proposed General Management Plan for Tumacacori National Historical Park, Arizona.

The Supplement describes and evaluates the impacts of an additional alternative for resource preservation and visitor use management at the Park. The new alternative was developed in response to public comments on the Draft General Management Plan and Environmental Impact Statement which was circulated for public review in late 1993. The alternative described in the

Supplement is the new National Park Service proposed action for the Park.

Copies of the Supplement may be obtained from the Superintendent, Tumacacori National Historical Park, P.O. Box 67, Tumacacori, Arizona, 85640. The telephone number is (520) 398-2341. Copies are also available for inspection at libraries located in the Park's vicinity.

Comments and questions regarding the Supplement should be directed to the Superintendent at the above address. All comments must be received by the Superintendent no later than April 5, 1996 in order to be considered in preparation of the final plan.

Dated: January 12, 1996.
Stanley T. Albright,
Field Director, Pacific West Area.

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act and the Resource Conservation and Recovery Act

In accordance with Departmental policy, 28 CFR 50.7, section 122(d)(2) of the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. 9622(d)(2), and section 7003(d) of the Resource Conservation and Recovery Act ("RCRA"), 42 U.S.C. 6973(d), notice is hereby given that a proposed partial consent decree in *United States and Commonwealth of Pennsylvania v. Publicker Industries Inc., et al.*, Civil Action No. 90-7984, was lodged on December 28, 1995, with the United States District Court for the Eastern District of Pennsylvania. The proposed partial consent decree would settle an action brought under section 107(a) and 113(g)(2) of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended ("CERCLA"), 42 U.S.C. 9607(a), 9613(g)(2), against defendants, Publicker Industries Inc. and American Cryogas Industries, Inc. (now called Sagrocry, Inc.) (collectively, "the Settling Defendants"), for recovery of response costs and natural resource damages in connection with the Publicker Industries Superfund Site in Philadelphia, Pennsylvania ("the Site"). The partial consent decree also resolves the potential CERCLA liability of federal agencies that were involved with the Site during World War II, and resolves
