RIN 1004-AC47

Table of Public Land Orders; Removal

AGENCY: Bureau of Land Management, Interior.

ACTION: Final rule; removal.

SUMMARY: This administrative final rule removes the Appendix to 43 CFR chapter II which constitutes a Table of Public Land Orders (PLOs), 1942-Present.

EFFECTIVE DATE: February 26, 1996.

FOR FURTHER INFORMATION CONTACT: Matthew Reed, 202-452-5069.

SUPPLEMENTARY INFORMATION: The Bureau of Land Management (BLM) is not statutorily required to include this Appendix in the CFR. The material contained in the Appendix is an unindexed, strictly chronological list of PLOs from 1942 until 1995. The Table includes only a PLO number, a signature date, a brief subject heading describing effect, and a Federal Register citation for each PLO. The Table is organized neither geographically nor by subject classification. In sum, the Table is of extremely limited utility as a reference tool for persons attempting to determine the status of any particular tract of the public lands. The public may obtain the relevant information contained in the Appendix more efficiently by contacting the BLM State Office managing the subject lands. The master title plat for each jurisdiction will reveal the impact of any and all PLOs affecting the public lands within the jurisdiction. Additionally, the BLM will maintain the Table electronically on the Bureau's Internet Homepage.

The 1996 edition of title 43 of the CFR will be the last to include the Appendix. This edition may be retained for future reference. Additionally, one may consult the annual Federal Register index to locate Public Land Orders issued within any subsequent given

year. As the Appendix currently comprises nearly 200 pages of printed text in Title 43 of the CFR, removal of the Appendix will produce significant cost and printed space savings for the BLM without depriving the public of its sole or best source of information concerning the PLOs. In light of the foregoing analysis, the BLM has determined for good cause that notice and public procedure on this rule are unnecessary and contrary to the public interest. The principal author of this final rule is Matthew Reed, Regulatory Management Team, BLM.

This rule is an administrative action and not a major rule for the purposes of E.O. 12291. Accordingly, neither an environmental impact analysis nor a regulatory flexibility analysis is required. This rule does not contain information collection requirements that require approval by the Office of Management and Budget under 44 U.S.C. 3501 *et seq.*
