

= \$4 million). Thus, the five million dollar or 10% of gross receipts test has been met. The two million dollar adjustment is attributable to a gross valuation misstatement. Accordingly, the taxpayer is subject to a penalty, under section 6662(h), equal to 40 percent of the underpayment of tax attributable to the gross valuation misstatement of two million dollars. The 2.5 million dollar adjustment is subject to a penalty under sections 6662(a) and 6662(b)(3), equal to 20 percent of the underpayment of tax attributable to the substantial valuation misstatement.

Example 3. (i) Applying section 482, the Internal Revenue Service makes the following transfer pricing adjustments for the taxable year:

(1) Attributable to an adjustment that is 400 percent or more of the correct section 482 arm's length result	\$6,000,000
(2) Not a 200 or 400 percent adjustment	15,000,000
Total	21,000,000

(ii) None of the adjustments are excluded under paragraph (d) (Amounts excluded from net section 482 adjustments) in determining the twenty million dollar or 20% of gross receipts test under section 6662(h). The net section 482 adjustment (21 million dollars) is greater than twenty million dollars and thus constitutes a gross valuation misstatement. Accordingly, the total adjustment is subject to the net adjustment penalty equal to 40 percent of the underpayment of tax attributable to the 21 million dollar gross valuation misstatement. The six million dollar adjustment will not be separately included for purposes of any additional penalty under section 6662.

(g) *Effective date.* This section is effective February 9, 1996. However, taxpayers may elect to apply this section to all open taxable years beginning after December 31, 1993.

§ 1.6662-6T [Removed]

Par. 5. Section 1.6662-6T is removed.
Par. 6a. In § 1.6664-0, the introductory text is amended by removing the reference "1.6664-4" and adding "1.6664-4T" in its place.

Par. 6b. Section 1.6664-4T is revised to read as follows:

§ 1.6664-4T Reasonable cause and good faith exception to section 6662 penalties.

(a) through (e) [Reserved].

(f) *Transactions between persons described in section 482 and net section 482 transfer price adjustments.* For purposes of applying the reasonable cause and good faith exception of section 6664(c) to net section 482 adjustments, the rules of § 1.6662-6(d) apply. A taxpayer that does not satisfy the rules of § 1.6662-6(d) for a net section 482 adjustment cannot satisfy the reasonable cause and good faith exception under section 6664(c). The

rules of this section apply to underpayments subject to the transactional penalty in § 1.6662-6(b). If the standards of the net section 482 penalty exclusion provisions under § 1.6662-6(d) are met with respect to such underpayments, then the taxpayer will be considered to have acted with reasonable cause and good faith for purposes of this section.
