

Small businesses are affected.

*General description of report:* This information collection is voluntary (12 U.S.C. §§225(a), 263, 353-359) and is given confidential treatment (5 U.S.C. §552(b)(4)).

*Abstract:* The FR 3033s survey, which is collected about every five years, asks for detailed information on the assets and liabilities of a stratified random sample of domestic finance companies. The sample is based on the responses from the first stage of the survey, the Finance Company Questionnaire (FR 3033p; OMB No. 7100-0277). From the FR 3033p questionnaires returned, the Federal Reserve will determine which of the respondents are eligible for the FR 3033s panel. Companies will be removed from the potential FR 3033s panel if they report that they are out of business, are not a finance company, or are a subsidiary of a bank. The survey sample will be stratified by size groups based on total receivables and by specialization in receivables and will include all FR 3033p respondents that reported at least \$10 million in total receivables. For coverage of smaller respondents, the survey sample will include all smaller companies that currently file the FR 2248 plus a sufficient number of other smaller companies to provide adequate representation. Proportional allocation will be used to draw a random sample.

The 1990 FR 3033s reporting form broadly classified finance company assets as retail, wholesale, lease, or other. The Federal Reserve proposes to reorganize the information by classifying assets as consumer-, real estate-, business-, or lease-related to make the form more compatible with existing accounting procedures of the respondents and to make the form easier to complete. There is one minor consolidation in the liabilities items. In the supplemental section, several items were added, and securitization items were reorganized to be consistent with the proposed assets classifications.

Any request for a hearing must be accompanied by a statement of the reasons a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal.
