

on the Internet, in Agency publications, and in hard copy via the RCRA/Superfund Hotline or EPA offices. EPA intends that this bibliography will represent all points of view and be useful to all stakeholders in the permitting process.

If you would like to submit citations for publications related to public participation in RCRA permitting, please send them to the address above by the close of this comment period. Please do not send the original document, but provide an abstract if possible. There is no need to submit citations of EPA documents, since they will be included by the Agency.

Please provide the following information in your citations:

- *For all publications* include the full names of all authors, full titles, publisher, date of publication, city where the work was published, an abstract, and an address and/or phone number where one can write or call to obtain the publication (if applicable).
- *For magazine and journal articles* also include the volume of the magazine, the page number(s), and issue numbers.

In addition, include your phone number so that EPA staff can call with questions about your submissions. The submitter's name and phone number will not be published in the bibliography.

We are particularly interested in the following subject areas for inclusion in the bibliography: community organizing, community involvement and participation, environmental justice, risk communication, creative problem-solving, alternative dispute resolutions, participatory activities, environmental activism, and information-sharing. Other subject areas may be relevant as well. For this bibliography, we are not interested in technical documents or data related to permitting. EPA reserves the right to omit citations that do not meet the purposes of this bibliography.

Notice of Proposed Assessment of Clean Water Act Class II Administrative Penalty to Hy-Tech Plating Inc., and Opportunity To Comment

AGENCY: Environmental Protection Agency.

ACTION: Notice of proposed administrative penalty assessment and opportunity to comment.

SUMMARY: EPA is providing notice of proposed administrative penalty assessment for alleged violations of the Clean Water Act. EPA is also providing notice of opportunity to comment on the proposed assessment.

Under 33 U.S.C. Section 1319(g), EPA is authorized to issue orders assessing civil penalties for various violations of the Act. EPA may issue these orders after the commencement of either a Class I or Class II penalty proceeding. EPA provides public notice of the proposed assessments pursuant to 33 U.S.C. Section 1319(g)(4)(a).

Class II proceedings are conducted under EPA's Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation and Suspension of Permits, 40 CFR Part 22. The procedures through which the public may submit written comment on a proposed Class II order or participate in a Class II proceeding, and the Procedures by which a Respondent may request a hearing, are set forth in the Consolidated Rules. The deadline for submitting public comment on a proposed Class II order is thirty days after publication of this notice.

On the date identified below, EPA commenced the following Class II proceeding for the assessment of penalties:

In the Matter of Hy-Tech Plating Inc., located at 1014 Center Street in San Carlos, California; EPA Docket No. CWA-IX-FY96-08; filed on March 28, 1996, with Mr. Steven Armsey, Regional Hearing Clerk, U.S. EPA, Region 9, 75 Hawthorne Street, San Francisco, California 94105, (415) 744-1389; proposed penalty of \$50,000 for failure to comply with the categorical pretreatment standards and requirements for metal finishing operations (40 CFR 433).

FOR FURTHER INFORMATION CONTACT: Persons wishing to receive a copy of EPA's Consolidated Rules, review of the complaint or other documents filed in this proceeding, comment upon a proposed assessment, or otherwise participate in the proceeding should contact the Regional Hearing Clerk identified above. The administrative record for this proceeding is located in the EPA Regional Office identified above, and the file will be open for public inspection during normal business hours. All information submitted by the respondent is available as part of the administrative record, subject to provisions of law restricting public disclosure of confidential information. In order to provide opportunity for public comment, EPA

will issue no final order assessing a penalty in these proceedings prior to thirty (30) days after the date of publication of this notice.

Dated: March 28, 1996.

Alexis Strauss,

Acting Director, Water Management Division.
