At its April 16-17 meeting, the Review Board voted to suspend the opening of these records for 60 days, in order to allow the Secret Service further time to provide evidence in support of certain postponements that the Secret Service wishes to retain under Section 6(3) of the JFK Act. The records affected are: 180-10065-10379; 180-10087-10302; 180-10103-10465.

Submission For OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.
Title: Questionnaire Pretesting Research.
Form Number(s): Various.
Agency Approval Number: 0607-0725.

Type of Request: Revision of a currently approved collection.
Burden: 12,000 hours.
Number of Respondents: 12,000.
Avg Hours Per Response: 1 hour.
Needs and Uses: In 1991, the Census Bureau obtained a generic clearance on an experimental basis, which relaxed some of the time constraints and enabled the Census Bureau to begin conducting extended cognitive and questionnaire design research as part of testing for its censuses and surveys. The clearance covered data collections in the

demographic, economic, and decennial areas of the Census Bureau, and specifically applied to research that is focused on questionnaire design and procedures aimed at reducing measurement errors in surveys. Types of research include field testing, respondent debriefings, split sample experiments, cognitive interviews, and focus groups. The clearance has been in place since that time and the Census Bureau is now seeking a revision of the clearance. We are requesting an increase of 7,500 burden hours annually to conduct quick tests in the decennial area to test new ideas and refine or improve upon positive or unclear results from other tests.

Affected Public: Individuals or households, Businesses or other for-profit, Farms.
Frequency: On occasion.
Respondent's Obligation: Voluntary.
OMB Desk Officer: Jerry Coffey, (202) 395-7314.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, Acting DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, room 5312, 14th and Constitution Avenue, NW, Washington, DC 20230.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Jerry Coffey, OMB Desk Officer, room 10201, New Executive Office Building, Washington, DC 20503.

Dated: April 29, 1996.
