SUPPLEMENTARY INFORMATION:

I. Abstract

This is a new submission by the U.S. Department of Commerce's National Institute of Standards and Technology (NIST). Previously, the information collection was administered by the U.S. Department of Commerce's Census Bureau. This collection activity is being conducted in partnership with the Census Bureau.

The Manufacturing Extension Partnership (MEP) is a growing nationwide system of services and support for smaller manufacturers giving them unprecedented access to new technologies, resources, and expertise. Sponsored by NIST, the MEP is comprised of a network of locally based Manufacturing Extension Centers.

Obtaining specific information from clients about the impact of MEP services is essential for NIST MEP officials to evaluate program strengths and weaknesses and plan improvements in program effectiveness and efficiency. This information is not available from existing programs or other sources.

II. Method of Collection

The survey will be administered using Computer Assisted Telephone Interviewing (CATI) technology.

III. Data

OMB Number: 0607-0016 currently approved for Census.

Form Number: None.

Type of Review: Regular submission for a new submission from NIST. This is a currently approved collection at Census.

Affected Public: Business or other for-profit.

Estimated Number of Respondents: 8,460.

Estimated Time Per Response: 12.5 minutes.

Estimated Total Annual Burden Hours: 1,800.

Estimated Total Annual Cost: The estimate of the total cost for this survey for fiscal year 1997 and future years is \$228,500. The total cost is being paid by NIST. The annual costs include administration of the survey, and updating of the CATI system, and development of tabulations and analyses of the data from the survey results.

IV. Requests for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance

of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they will also become a matter of public record.

Dated: May 8, 1996.

Linda Engelmeier,

Acting Departmental Forms Clearance Officer, Office of Management and Organization.
