[Docket No. 96F–0145]
Albright & Wilson, Ltd.; Filing of Food Additive Petition
AGENCY: Food and Drug Administration, HHS.
ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is announcing that Albright & Wilson, Ltd., has filed a petition proposing that the food additive regulations be amended to provide for the safe use of tetrakis(hydroxymethyl)phosphonium sulfate as a slimicide for use in the manufacture of paper and paperboard intended to contact food.

DATES: Written comments on the petitioner’s environmental assessment by June 19, 1996.

ADDRESSES: Submit written comments to the Dockets Management Branch (address above) for public review and comment. Interested persons may, on or before June 19, 1996, submit to the Dockets Management Branch (address above) written comments. Two copies of any comments are to be submitted, except that individuals may submit one copy. Comments are to be identified with the docket number found in brackets in the heading of this document. Received comments may be seen in the office above between 9 a.m. and 4 p.m., Monday through Friday. FDA will also place on public display any amendments to, or comments on, the petitioner’s environmental assessment without further announcement in the Federal Register. If, based on its review, the agency finds that an environmental impact statement is not required and this petition results in a regulation, the agency will make its finding of no significant impact and the evidence supporting that finding will be published with the regulation in the Federal Register in accordance with 21 CFR 20.10(c).

Dated: April 30, 1996.
