SUPPLEMENTARY INFORMATION:

A. Purpose

FAR 15.812-1(c) and the clause at FAR 52.215-26, Integrity of Unit Prices, require offerors and contractors under Federal contracts to identify in their proposals those supplies which they will not manufacture or to which they will not contribute significant value. The policies included in the FAR are required by section 501 of Public Law 98-577 (for the civilian agencies) and section 927 of Public Law 99-500 (for DOD and NASA). The rule eliminates reporting requirements on contracts with civilian agencies for commercial items.

B. Annual Reporting Burden

Public reporting burden for this collection of information is estimated to average 5 minutes per line item, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

The annual reporting burden is estimated as follows: Respondents, 7,822; responses per respondent, 95; total annual responses, 743,090; preparation hours per response, .084; and total response burden hours, 62,420.
