

As a Potential User

A. Can you use data at the levels of detail indicated on the form?

B. For what purpose would you use the data? Be specific.

C. Are there alternate sources of data and do you use them? If so, what are their deficiencies and/or strengths?

D. For the most part, information is published by EIA in U.S. customary units, e.g., cubic feet of natural gas, short tons of coal, and barrels of oil. Would you prefer to see EIA publish more information in metric units, e.g., cubic meters, metric tons, and kilograms? If yes, please specify what information (e.g., coal production, natural gas consumption, and crude oil imports), the metric unit(s) of measurement preferred, and in which EIA publication(s) you would like to see such information.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of the form. They also will become a matter of public record.

Columbia Gas Transmission Corporation; Notice of Compliance Filing

June 20, 1996.

Take notice that on June 13, 1996, Columbia Gas Transmission Corporation (Columbia) made a filing in compliance with the Commission's May 29, 1996, letter order in the above referenced proceeding (Letter Order). The Letter Order accepted and suspended, effective June 1, 1996, subject to refund and the conditions therein, tariff sheets representing Columbia's second filing to recover Accrued-But-Not-Paid Gas Costs pursuant to its settlement in Docket No. GP94-2-000, et al., 71 FERC ¶ 61,337 (1995). The Letter Order directed Columbia to make supporting documentation available to parties within 15 days of the date of the Letter Order, and redesignated the original docket number assigned to the second filing (RP96-222) to RP96-140-002.

Columbia states that it is filing supporting documentation for its first and second filings to recover Accrued-But-Not-Paid Gas Costs in Docket Nos. RP96-140 and RP96-140-002, respectively, under seal, and is requesting that such documentation receive privileged and confidential treatment pursuant to 18 CFR 388.112 and remain exempt from public disclosure. Columbia previously explained in an April 11, 1996 compliance letter in Docket No. RP96-140 its concerns regarding the public disclosure of documentation supporting its filing to recover Accrued-But-Not-Paid Gas Costs, which explanation forms the basis for the request for privileged and confidential treatment.

Columbia states that it has negotiated a protective agreement arrangement with interested parties pursuant to which Columbia has agreed to provide supporting documentation.

Columbia states that copies of its filing have been mailed to all firm customers, affected state commissions and interruptible customers.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided by Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

National Fuel Gas Supply Corporation; Notice of Refund Report

June 20, 1996.

Take notice that on June 17, 1996, National Fuel Gas Supply Corporation (National) tendered for filing a report of refunds and surcharges in compliance with the Stipulation and Agreement approved by the Commission on February 16, 1996. National states that the refunds and surcharges were disbursed in the form of invoice credits or debits to customers receiving the following services: EFT, FT, FT Niagara Zone 1, FT Niagara Zone 2, FT Niagara

Zone 3, and IT Transportation Services; ESS, ISS, IAS, FSS, SS-1 and SS-2 Storage Services; and the P-1, P-2, IR-1, IR-2 and W-1 Hub Services.

National further states that a copy of the Refund Report was sent to the affected state regulatory agencies, and that each customer received a summary including the computations supporting their refund or surcharge.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18) CFR 385.211. All such protests must be filed on or before June 27, 1996. Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection.

Natural Gas Pipeline Company of America; Notice of Amendment to Application

June 20, 1996.

Take notice that on June 18, 1996, Natural Gas Pipeline Company of America (Natural), located at 701 East 22nd Street, Lombard, Illinois 60148, filed in Docket No. CP96-27-001, an amendment to its application pursuant to Section 7(c) of the Natural Gas Act and Subpart A of part 157 of the Commission's Regulations. Natural seeks a certificate of public convenience and necessity authorizing the construction and operation of certain facilities which will increase the capacity of its Amarillo Mainline system. Natural now amends its proposal to modify the design of the proposed expansion. The details of Natural's amendment are all as more fully set forth in its filing which is on file with the Commission and open to public inspection. (For details of Natural's original application, see Notice of Application in Docket No. CP96-27-000, issued on October 25, 1995, and published in the Federal Register on November 2, 1995, (60 FR 55711).)

Natural states that it is now requesting authorization to:
