National Park Service

Proposed Boundary Adjustment of Olympic National Park; Exchange of Lands in Clallam and Mason Counties, Washington

ACTION: Notice of Realty Action on Proposed Boundary Adjustment and Lands Exchange.

SUMMARY: The National Park Service (NPS), the State of Washington (State) and the City of Tacoma (Tacoma) are proposing a lands exchange pursuant to the Act of October 23, 1992, Public Law 102-436 (106 Stat. 2217) and the Act of July 15, 1968 (16 U.S.C. 460 I-22(b)), also in accordance with the Act of June 29, 1938 establishing Olympic National Park (16 U.S.C. 251) as amended. Federal lands within Olympic National Park (ONP) are authorized for disposal to Tacoma for operation of the Lake Cushman hydroelectric project. The boundary of ONP would be adjusted to delete these disposed federal lands. In exchange, the United States (U.S.) will acquire State-owned lands within the boundaries of ONP to be provided by Tacoma.

SUPPLEMENTARY INFORMATION: An environmental assessment for this project was completed in July 1994, resulting in a Finding of No Significant Impact on February 16, 1996.

The following described federal lands are being proposed for disposal by the U.S. and proposed for deletion from the boundaries of ONP:

Willamette Meridian

Township 23 North, Range 5 West

Tract 37 in unsurveyed Sections 3 and 4

Containing 29.83 acres, more or less.

In exchange, the U.S. will acquire the following described lands:

Willamette Meridian

Township 30 North, Range 10 West

Section 26: NW¼ NW¼, and
Township 28 North, Range 15 West
Section 36: N½ NE¼ NE¼ SW¼.

The above lands aggregating 45 acres, more or less.

The lands to be exchanged have been determined to be of equal value. This lands exchange and boundary adjustment is being proposed to facilitate Tacoma's operation of the Lake Cushman hydroelectric project, which periodically inundates the above federal land within ONP. Management of these lands, although being conveyed to Tacoma and being removed from the boundary of ONP, will continue to include public access and resource protection through a management agreement.

The exchange also provides for the U.S. acquisition of State lands within the boundaries of ONP, which will be administered by NPS. Acquisition of these lands will provide protection to valuable wildlife habitat, wilderness, cultural and recreational resources within ONP.

There are no leases or permits to other third parties affecting the federal lands proposed for disposal. These lands have been surveyed for cultural resources and threatened/endangered species and found suitable for disposal given the mitigation measures provided by agreement.

FURTHER INFORMATION AND COMMENTS:

More detailed information on this proposed action may be obtained from the Superintendent, Olympic National Park, 600 East Park Avenue, Port Angeles, Port Angeles, Washington 98362-6789. Public comments will be accepted for a period of 45 calendar days from the publication date of this notice. Comments should be sent to the Superintendent, Olympic National Park at the above address.

In the absence of any subsequent action to modify or vacate the proposed exchange and boundary adjustment, this realty action to proceed with the exchange and boundary adjustment will become the final determination of the Department of the Interior.

Dated: June 12, 1996.

William C. Walters,

Deputy Field Director, Pacific West Field Area.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-380]

Certain Agricultural Tractors Under 50 Power Take-Off Horsepower; Notice of Commission Determination not to Review an Initial Determination Granting Complainants' Motion to Amend the Complaint and Notice of Investigation to Add a Respondent

AGENCY: International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission had determined not to review the initial determination (ID) of the presiding administrative law judge (ALJ) in the above-captioned investigation granting complainants' motion to amend the complaint and notice of investigation to add Fujisawa Trading Agency ("Fujisawa") as a respondent.

FOR FURTHER INFORMATION CONTACT: Shara L. Aranoff, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW, Washington, D.C. 20436, telephone 202-205-3090.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation, which concerns allegations of unfair acts in violation of section 337 in the importation and sale of certain agricultural tractors under 50 PTO horsepower, on February 14, 1996. On May 7, 1996, complainants Kubota Tractor Corporation, Kubota Manufacturing of America Corporation, and Kubota Corporation filed a motion to add Fujisawa Trading Agency ("Fujisawa") as a respondent in this investigation. In its motion, complainant contends that it learned that Fujisawa is an exporter of the accused tractors after the institution of this investigation. Complainants assert that good cause exists to add Fujisawa as a respondent based on its status as an exporter of the accused tractors and that adding Fujisawa as a respondent will not prejudice the public interest or the rights of any parties to the investigation. The Commission investigative attorney supported the motion. Pursuant to Commission rule 210.15(a)(2), Kubota served a copy of the public version of its motion on Fujisawa. Neither Fujisawa nor any other party opposed the motion. On May 29, 1996, the presiding ALJ issued an ID (Order No. 16) granting complainants' motion. No petitions for review of the ID were received.
