Notice for Public Comment, Proposed Supplementary Rule Affecting Public Lands Within the Barstow Resource Area; California

AGENCY: Bureau of Land Management, United States Department of the Interior.

ACTION: This notice proposes to establish a supplementary rule regarding recreational shooting within the Barstow Resource Area, Bureau of Land Management. This proposed supplementary rule requires that, on Public Lands within the Barstow Resource Area, in areas permitted by San Bernardino County Ordinance 22.011 for legal recreational target shooting of rifles, handguns and shotgun slugs, no person shall fire, shoot or discharge a firearm at any object other than a retrievable paper silhouette or bulls-eye target or a firearm target constructed of plate iron or plate

steel such as an iron silhouette, knock-down or spinner target.

SUMMARY: In accordance with title 43, Code of Federal Regulations § 8365.1-6, the State Director may establish supplementary rules in order to provide for the protection of persons, property, and public lands and resources. This authority was delegated to the District and Area managers pursuant to BLM Manual 1203, California Supplement.

Copies of the final supplementary rule would be made available at the local BLM office, the supplementary rule would be published in local newspapers upon the effective date, and affected lands within the Barstow Resource Area would be posted.

PENALTIES: Failure to comply with this supplementary rule would be punishable by a fine not to exceed \$100,000 and/or imprisonment not to exceed 12 months.

SUPPLEMENTARY INFORMATION: This supplementary rule was proposed to deter and prevent the accumulation of household refuse and trash which is being deposited on these Public Lands by a significant portion of recreational shooters. Shooters on public lands have used as targets and then discarded old television sets, glass bottles, propane gas cylinders, and other similar items and, as a result, have adversely impacted the quality of these public lands. These types of discarded targets pose a significant public safety threat and cause unsightly litter. This supplementary rule will not infringe upon Constitutional rights of an individual to own or possess lawful firearms. This supplementary rule does not impact or effect lawful hunting of wild birds or game. All shooters will be responsible to retrieve and properly dispose of their targets and spent shells upon leaving Public Lands.

DATES FOR COMMENTS: Comments will be accepted by the Barstow Resource Area for thirty (30) days following this publication. A final rule which replies to comments and/or amends the rule will be published within thirty (30) days after the comment period has expired.

ADDRESSES: Comments should be sent to: United States Department of the Interior, Bureau of Land Management, Barstow Resource Area, 150 Coolwater Lane, Barstow, CA 92311, Attention: Tim Read, Area Manager.

FOR MORE INFORMATION CONTACT: Maps depicting areas affected by this proposed supplementary rule and other pertinent information may be obtained at the BLM Barstow Resource Area office (619-255-8700) or the California Desert Information Center (619-255-

8760), both located in Barstow, California.

Tim Read,

Area Manager.
