DEPARTMENT OF AGRICULTURE

Forest Service

Huckleberry Land Exchange With Weyerhaeuser Company, Mt. Baker-Snoqualmie National Forest, Skagit, Snohomish, King, Pierce, Lewis, Kittitas and Cowlitz Counties, WA

AGENCY: Forest Service, USDA.

ACTION: Revised notice of intent to prepare an environmental impact statement.

SUMMARY: This is a revision to the notice which appeared in the Federal Register on July 14, 1995 (60 FR 36257), for the Huckleberry Land Exchange with Weyerhaeuser Company. The revision is needed to identify a change to the proposed action and responsible official. The proposed action has been modified to include exchange of about 6,770 acres of Federally owned subsurface mineral estate to Weyerhaeuser Company. Weyerhaeuser Company or another private entity currently owns the surface lands. Approximately 5,210 acres of the severed minerals are administered by the Bureau of Land Management (BLM) in King and Cowlitz Counties, Washington. About 1,560 acres are administered by the Gifford Pinchot and the Mt. Baker-Snoqualmie National Forests in Lewis County, Washington.

This revised notice serves BLM requirements for land exchanges under Title 43 Code of Federal Regulations (CFR) Part 2200 that lands or interest in lands are being considered for exchange. This notice and the environmental analysis for this exchange will constitute a planning analysis for BLM lands under 43 CFR 1610.8(b)(2).

The lead agency is the Forest Service. Wendy M. Herrett, Director of Recreation, Lands, and Mineral Resources, Pacific Northwest Region, is the responsible official for the Forest Service. Elaine Zielinski, State Director

Oregon and Washington BLM, is the responsible official for the BLM. The Forest Service will prepare a Record of Decision for lands under its jurisdiction and the BLM will prepare a Record of Decision for lands or interest in lands under its jurisdiction upon completion of the final environmental impact statement (EIS) and selection of the preferred alternative by the responsible official.

The draft EIS is expected to be filed in July 1996. The comment period on the draft EIS will be 45 days from the date the Environmental Protection Agency publishes the notice of availability in the Federal Register. The final EIS is scheduled to be completed in September 1996.
