DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: Survey of Income and Program Participation—1966 Panel Wave 3.

Form Number(s): Automated instrument and SIPP-16303 reminder card.

Needs and Uses: The Bureau of the Census conducts the Survey of Income and Program Participation (SIPP) to collect information from a sample of households concerning the distribution of income received directly as money or indirectly as in-kind benefits. SIPP data are used by economic policymakers, the Congress, state and local governments, and Federal agencies that administer social welfare and transfer payment programs such as the Department of Health and Human Services, the Department of Housing and Urban Development, and the Department of Agriculture. The SIPP is a longitudinal survey, in that households in the "panel" are interviewed at regular intervals or "waves" over a number of years. The survey is molded around a central "core" of labor force and income questions, health insurance questions, and questions concerning government program participation that remain fixed throughout the life of a panel. The core questions are asked at Wave 1 and are updated during subsequent interviews. The core is periodically supplemented with additional questions or "topical modules" designed to answer specific needs. This request is for clearance of Wave 3 of the 1996 Panel. The Core questions have already been cleared. Topical modules for waves 4 through 13 will be cleared later. The topical modules for Wave 3 are: (1) assets and liabilities, (2) medical expenses and work disability, (3) real estate, shelter
