

The Commission believes that the proposed amendments remove an unnecessary burden on member firms with joint accounts who want to have overlapping primary appointment zones for their market makers in order to allow for continuous coverage when participant market makers are temporarily absent from the floor due to circumstances such as illness or vacation.

The Commission believes that adequate safeguards relating to dealings by members of joint accounts are assured by the application of Rule 6.40, which contains certain trading restrictions on options floor members with "financial arrangements." Specifically, Rule 6.40 prohibits bidding, offering, and/or trading in the same trading crowd at the same time by more than one member of a joint account, unless an exemption is obtained from the Options Floor Trading Committee. The Commission also notes that it has previously approved a PSE proposal to eliminate a commentary to Rule 6.40 prohibiting the primary appointment of a market maker from including trading posts which constitute the primary appointment of any market maker with whom he has an existing financial arrangement, on the basis that it was superfluous in light of the trading restrictions set forth in Rule 6.40.⁷ The Commission believes that the similar restriction is likewise superfluous in Commentary .05 to Rule 6.84. Accordingly, the Commission believes Rule 6.40 will adequately address any concerns that joint account participants may attempt to dominate unfairly the market in a particular option issue or option series.

The Commission also believes that it is appropriate, in Rule 6.84, Commentary .05 to make the clarifying change to replace the cross-reference to Rule 6.37, Commentary .04 with a reference to Rule 6.35, Commentary .03.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁸ that the proposed rule change (SR-PSE-96-17) is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁹

Margaret H. McFarland,
Deputy Secretary.
