Mississippi River Transmission Corporation; Notice of Refund Report

October 25, 1996.

Take notice that on October 18, 1996, Mississippi River Transmission Corporation (MRT) submitted a refund report reflecting the flowthrough of the Gas Research Institute (GRI) refund received by MRT on June 28, 1996.

MRT states that pursuant to the 1993 GRI settlement, MRT has credited such refund proportionally to its firm customers of non-discounted service based on the GRI surcharges those customers paid during the calendar year 1995. MRT states that each customer's credit, including interest, was refunded by check issued on or about October 15, 1996.

MRT states that a copy of this filing is being mailed to each of MRT's affected customers and the State commissions of Arkansas, Illinois and Missouri.

Any person desiring to be heard or protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed on or before November 1, 1996. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and available

for public inspection in the Public Reference Room.

[Docket No. RP96-331-004]

National Fuel Gas Supply Corporation; Notice of Proposed Changes in FERC Gas Tariff

October 25, 1996.

Take notice that on October 22, 1996, National Fuel Gas Supply Corporation (National Fuel) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, Original Sheet No. 6B, to be effective November 1, 1996.

National Fuel states that the filing is made to implement a firm storage agreement between National Fuel and Westcoast Gas Services (U.S.A.), Inc. (Westcoast), that provides for negotiated rates pursuant to GT&C Section 17.2 of National Fuel's tariff and the Commission's policy regarding negotiated rates. National Fuel states that under its agreement with Westcoast, firm storage service would be provided under its FSS Rate Schedule at a formula rate based upon the difference between the price of gas at Niagara, as published by Gas Daily, applicable at the time of injection, and such price applicable at the time of withdrawal. The specific formula is set forth in the agreement, which accompanies National Fuel's tariff filing.

National Fuel states that it is serving copies of the filing on its firm customers and interested State commissions. National Fuel also states that copies are also being served on all interruptible customers as of the date of the filing.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
