Individual differences between USP and NV may vary from the percentage stated above. The Department will issue appraisal instructions directly to the Customs Service. The final results of this review shall be the basis for assessment of antidumping duties, if any, on entries of merchandise covered by the determination and for future deposits of estimated duties, if any.

Furthermore, the following deposit requirements will be effective upon completion of the final results of this administrative review for all shipments of BSS from Canada entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Tariff Act: (1) The cash deposit rate for Wolverine will be the rate established in the final results of this administrative review (except that if the weighted-average margin is less than 0.5 percent, i.e., *de minimis*, no cash deposit will be required); (2) for merchandise exported by manufacturers or exporters not covered in this review, but covered in the original less-than-fair-value (LTFV) investigation or a previous review, the

cash deposit will continue to be the most recent rate published in the final determination or final results for which the manufacturer or exporter received a company-specific rate; (3) if the exporter is not a firm covered in this review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) for all other producers and/or exporters of this merchandise, the cash deposit rate will be 8.10 percent, the rate established in the LTFV investigation, 52 FR 1217 (January 12, 1987).

This notice serves as a preliminary reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with section 751(a)(1) of the Tariff Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

Certain Carbon Steel Wire Rod From Argentina: Determination Not To Terminate Suspended Investigation

AGENCY: International Trade Administration/Import Administration/Department of Commerce.

ACTION: Notice of determination not to terminate suspended investigation.

SUMMARY: The Department of Commerce (the Department) is notifying the public

of its determination not to terminate the suspended countervailing duty investigation on certain carbon steel wire rod from Argentina.

EFFECTIVE DATE: December 6, 1996.

FOR FURTHER INFORMATION CONTACT: Robert Bolling or Jean Kemp, AD/CVD Enforcement, Group III, International Trade Administration, U.S. Department of Commerce, Washington, D.C. 20230; telephone: (202) 482-3793.

SUPPLEMENTARY INFORMATION:

Background

On September 5, 1996, the Department published in the Federal Register (61 FR 46783) its third notice of intent to terminate the suspended countervailing duty investigation on certain carbon steel wire rod from Argentina (47 FR 42393, September 27, 1982). The second notice of intent to terminate was published in August 1990, at which time the Department received an objection to termination from the petitioners and one interested party. In addition, we received a request for an administrative review and conducted an administrative review (Final Results of Administrative Review, 56 FR 40309, August 14, 1991).

The Department will terminate a suspended investigation if the Secretary concludes that the agreement is no longer of interest to interested parties. (19 CFR 355.25(d)(4)) On September 26 and 30, 1996, two petitioners, Atlantic Steel Industries, Inc. and North Star Steel Texas, Inc., objected to the Department's third notice of intent to terminate this suspended investigation. Therefore, we no longer intend to terminate the suspended investigation. We did not, however, receive a request for an administrative review at that time.

This notice is published in accordance with § 355.25(d)(4) of the Commerce Department's regulations. 19 CFR 355.25(d)(4).

Dated: November 26, 1996.

Joseph A. Spetrini,

Deputy Assistant Secretary, Enforcement Group III.
