National Park Service

60-day Notice of Intention to Request Clearance of Information Collection—Opportunity for Public Comment

AGENCY: Department of the Interior, National Park Service, Isle Royale National Park, Arches National Park, 8 Other Units of the National Park System.

ACTION: Notice and request for comments.

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. 3507) and 5 CFR Part 1320, Reporting and Recordkeeping Requirements, the National Park Service invites public comments on three proposed information collection requests (ICR). Comments are invited on: (1) the need for the information including whether the information has practical utility; (2) the accuracy of the reporting burden estimate; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the information collection on respondents, including use of automated collection techniques or other forms of information technology.

The Primary Purpose of the Proposed ICRs: One information collection survey will be conducted to obtain information about visitors and their reactions to new visitor fee programs being conducted on a trial basis in eight national park units representing a cross section of the parks in the National Park System of the United States. Results of this survey will be used by the National Park Service, the Department of the Interior, and the Congress to evaluate the trial fee programs.

A second information collection survey will be conducted at Isle Royale National Park to identify indicators and standards of visit quality through the assessment of visitor perceptions and preferences. Results of this survey will be used by park managers in their ongoing planning and management activities to improve visitor services,

protect park resources, and better serve the park's visitors.

A third information collection survey that uses computer modified photographs will be conducted at Arches National Park to evaluate standards of what constitutes a quality visitor experience. Results of this survey will be used by park managers in their ongoing planning and management activities to improve visitor services, protect park resources, and better serve the park's visitors.

DATES: Public comments on these three proposed ICRs will be accepted on or before April 7, 1997.

ADDRESSES: Send comments to David W. Lime, Ph.D., Senior Research Associate, Cooperative Park Studies Unit, Department of Forest Resources, University of Minnesota, 115 Green Hall, 1530 N. Cleveland Ave., St. Paul, MN 55108.

All responses to this notice will be summarized and included in the requests for Office of Management and Budget (OMB) approval. All comments will become a matter of public record.

Copies of the proposed ICR requirements and draft surveys can be obtained from David W. Lime, Ph.D., Senior Research Associate, Cooperative Park Studies Unit, Department of Forest Resources, University of Minnesota, 115 Green Hall, 1530 N. Cleveland Ave., St. Paul, MN 55108.
