Victims of Crime Act Victim Compensation Grant Program

AGENCY: Office of Justice Programs,
 Office for Victims of Crime, Justice.
ACTION: Final Program Guidelines.

SUMMARY: The Office for Victims of Crime (OVC), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) is publishing Final Program Guidelines to implement the victim compensation grant program as authorized by the Victims of Crime Act of 1984, as amended, 42 U.S.C. 10601, *et seq.* (hereafter referred to as VOCA).

EFFECTIVE DATE: From October 1, 1996 (Federal Fiscal Year 1997 VOCA grant program), until further revised by OVC.

FOR FURTHER INFORMATION CONTACT: Jackie McCann Cleland, Director, State Compensation and Assistance Division, 633 Indiana Avenue NW., Washington, DC 20531; telephone number (202) 307-5983. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: VOCA provides federal financial assistance to states for the purpose of compensating and assisting victims of crime, providing funds for training and technical assistance, and assisting victims of federal crimes.

These Final Program Guidelines provide information on the administration and implementation of the VOCA victim compensation grant program as authorized in Section 1403 of VOCA, Public Law 98-473, as amended, codified at 42 U.S.C. 10602 and 10603b, and contain the following information: Summary of the Comments on the Proposed Program Guidelines; Background; Funding Allocation and Application Process; Program Requirements; Financial Requirements; Monitoring; and Suspension and

Termination of Funding. These Final Program Guidelines are based on the experience gained and legal opinions rendered since the inception of the grant program in 1986, and are in accordance with VOCA. These Final Program Guidelines are all inclusive. Thus, they supersede any Guidelines previously issued by OVC.

The Office of Justice Programs, Office for Victims of Crime, in conjunction with the Office of Policy Development, DOJ, and the Office of Information and Regulatory Affairs, the Office of Management and Budget (OMB), has determined that this rule is not a "significant regulatory action" for purposes of Executive Order 12866 and accordingly, these Final Program Guidelines were not reviewed by OMB.

In addition, it has been determined that these Final Program Guidelines will not have a significant economic impact on a substantial number of small entities; therefore, an analysis of the impact of these Guidelines on such entities is not required by the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*

The program reporting requirements described in the Program Requirements section have been approved by the OMB as required under the Paperwork Reduction Act, 44 U.S.C. 3504(h). (OMB Approval Number 1121-0014.)

Summary of the Revisions to the 1997 Proposed Program Guidelines

Proposed VOCA Victim Compensation Program Guidelines were distributed to interested individuals and organizations for the purpose of soliciting comments. In September, 1996, OVC asked the state VOCA victim compensation program administrators attending the annual conference of the National Association of Crime Victim Compensation Boards (NACVCB) for their comments. In September, OVC also mailed copies of the Proposed Guidelines to all of the state VOCA victim compensation and assistance program administrators, as well as to the executive directors of national victim organizations.

OVC received comments from state VOCA victim compensation and assistance administrators, representatives of national victim organizations, and one state legislator. In total, over 18 different recommendations, questions, and comments were received.
