SUPPLEMENTARY INFORMATION: The purpose of the meeting will be to review management alternatives being considered by the Council in Amendment 15 to the Fishery Management Plan (FMP) for Reef Fish in the Gulf of Mexico. Amendment 15 includes a license limitation system for red snapper with initial trip-limit allocations. In order to help alleviate the effects of derby fishing, the amendment also considers opening the commercial season for red snapper for only the first 15 days of each month until the quota is reached and the fishery is closed. In addition to proposed measures for red snapper, Amendment 15 considers alternatives regarding the harvest of reef fish in traps other than permitted reef-fish traps and the potential removal of certain species of sea basses, grunts, and porgies from the management unit.

The Law Enforcement AP will also review the current regulations on bag limits for reef fish species and any potential enforcement problems. Finally, the AP will review the schedule for implementation of Amendment 9 to the Shrimp FMP that requires virtually all shrimp trawls used in Federal waters west of Cape San Blas, FL to be equipped with certified bycatch reduction devices.

At 1:00 p.m., members of the Law Enforcement AP will attend a meeting of the Ad Hoc Interjurisdictional Legal Panel of the Gulf States Marine Fisheries Commission at the same location. This meeting will focus on:

(1) Consistency of state fishery regulations with Magnuson-Stevens Act FMP guidelines;

(2) Consistency among Gulf States in licensing and vessel registration;

(3) Development of guidelines for effective state prosecution of Federal fishery violations; and

(4) Future of state jurisdictional authority within and without states' waters. If necessary, the Law Enforcement AP will reconvene following the Ad Hoc Legal Panel meeting to consider any recommendations that arise from these discussions. All business is expected to be concluded by 5:00 p.m.

The AP comprises chief enforcement agents for the state and Federal fishery agencies in the Gulf area who advise the Council on law enforcement issues.
