National Advisory Council for Environmental Policy and Technology—Total Maximum Daily Load Committee: Public Meeting**AGENCY:** Environmental Protection Agency (EPA).**ACTION:** Notice of public meeting.

SUMMARY: Under the Federal Advisory Committee Act, PL 92463, EPA gives notice of a three day meeting of the National Advisory Council for Environmental Policy and Technology's (NACEPT) Total Maximum Daily Load (TMDL) Committee. NACEPT provides advice and recommendations to the Administrator of EPA on a broad range of environmental policy issues. The TMDL Committee has been charged to provide recommendations for actions which will lead to a substantially more effective TMDL program. This meeting is being held to enable the Committee and EPA to hear the views and obtain the advice of a widely diverse group of stakeholders in the national Water Program.

In conjunction with the three day meeting, the FACA Committee members and the EPA will host two meetings designed to afford the general public greater opportunity to express its views on TMDL and water related issues.

DATES: The three day public meeting will be held on June 11-13, 1997, in Milwaukee, Wisconsin, at the Park East Hotel, 916 E. State Street, Milwaukee, Wisconsin. The full Committee meeting begins on Wednesday, June 11, 1997, at 9:00 a.m. with adjournment scheduled for 5:30 p.m. The meeting on Thursday, June 12, 1997, will reconvene at 8:00 a.m. and is scheduled to adjourn at 3:00 p.m. On Friday, June 13, 1997, the Committee begins deliberations at 9:00 a.m. and is scheduled to conclude at 2:00 p.m.

The two public input sessions are scheduled in conjunction with the full Committee meeting in the same location. The first will occur on June 11, 1997, from 7:30-9:00 p.m. The second will occur on June 12, 1997, from 3:30-5:00 p.m.

FUTURE MEETING DATES: The Committee has scheduled additional meetings for the following dates and locations:

Oregon
September 3-5, 1997 in Portland,
Utah
January 21-23, 1998 in Salt Lake City,

Procedures for Non-U.S. Satellite Filings**AGENCY:** Federal Communications Commission.**ACTION:** Notice.

SUMMARY: On April 16, 1997, the International Bureau released a public notice announcing procedures for foreign satellites to be considered in future satellite processing rounds. Pursuant to the World Trade Organization Basic Telecommunications Services Agreement reached in February 1997, the International Bureau will be opening future satellite system processing rounds to space stations that are licensed by, or coordinated internationally under the ITU Radio Regulations by foreign Administrations. The Bureau issued the Public Notice to provide procedural guidance to those entities wishing to participate in future satellite processing rounds and to request comment on the procedures. This process will serve as a means to ensure appropriate opportunities for non-U.S. licensed entities to participate in the U.S. satellite services market. The Commission is seeking emergency approval for this information collection by July 1, 1997, under the provisions of 5 CFR 1320.13.

DATES: Comments on the information collection being submitted for emergency approval should be submitted no later than June 23, 1997. Comments on the regular information collection submission should be submitted no later than July 14, 1997.

ADDRESSES: In addition to filing comments with the Office of the Secretary, Federal Communications Commission, 1919 M Street, NW.,

Washington, DC 20554, a copy of any comments on the information collections contained herein should be submitted to Judy Boley, Federal Communications Commission, Room 234, 1919 M Street, NW., Washington, DC 20554, or via the Internet to jboley@fcc.gov, and to Timothy Fain, OMB Desk Officer, 10236 NEOB, 725 17th Street, NW., Washington, DC 20503 or via the Internet to fain_t@al.eop.gov.

FOR FURTHER INFORMATION CONTACT: For information on the Public Notice, contact Virginia Marshall at (202) 418-0778 or Kathleen Campbell at (202) 418-0753 of the International Bureau, Satellite and Radiocommunication Division, Satellite Policy Branch. For additional information or copies of the information collection, contact Judy Boley at 202-418-0214 or via the internet at jboley@fcc.gov.

SUPPLEMENTARY INFORMATION: As part of its continuing effort to reduce paperwork burden, the Federal Communications Commission invites the general public and other Federal agencies to take this opportunity to comment on emergency information collection as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; and ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology. While the Commission is seeking emergency approval for this collection, following the statutory 60-day comment period, the Commission will submit a request for regular OMB approval for this information collection and will publish a notice of such submission.

The following is a summary of Public Notice, Report No. SPB-80 (released April 16, 1997):
