Risk Assessment and Risk Management Commission

Pursuant to the Federal Advisory Committee Act, Public Law 92-463, notice is hereby given that the Risk Assessment and Risk Management Commission, established as an Advisory Committee under section 303 of the Clean Air Act Amendments of 1990, will hold a public meeting on August 8, 1997 at the Kimball Conference Room, 1400 16th Street, NW., Washington, DC 20036. The meeting will start at 10:00 a.m. and adjourn at 4:30 p.m.

The meeting will be a symposium with two goals: (1) To define a public health approach to environmental protection, including advantages, disadvantages, and barriers to implementation; (2) to examine the potential for an "environmental health improvement" market for investments in public health projects for a narrowly defined set of facilities already meeting current air standards. The "environmental health improvement" market will be discussed by using the example of EPA's most recently proposed changes to the air standards for particulates and ozone.

Due to limited seating, attendees should notify the Commission's office in advance prior to August 1, 1997, by calling 202-233-9537 or send a fax to 202-233-9540. Please include your phone number and fax number.

For a copy of Volume one or Volume two of the Commission's final report, please fax your request to 202-233-9540, mail your request to the Commission on Risk Assessment and Risk Management, 529 14th Street, NW., Room 420, Washington, DC 20045, or obtain via the Internet at <http://www.riskworld.com>. Be sure to indicate your complete mailing address and a phone number where you can be reached.

Dated: June 5, 1997.

Gail Charnley,

Executive Director, Commission on Risk Assessment and Risk Management.

Science Advisory Board; Notice of Public Teleconference Meetings

Pursuant to the Federal Advisory Committee Act, Public Law 92-463, notice is hereby given that the Advisory Council on Clean Air Compliance Analysis (ACCACA, or the "Council") of the Science Advisory Board (SAB) will conduct a public teleconference on the date and times specified below. This meeting is open to the public, however, the number of available phone lines is limited. All times noted are Eastern Time. Documents that are the subject of SAB reviews are normally available from the originating EPA office and are *not* available from the SAB office (see information provided below).

Advisory Council on Clean Air Compliance Analysis

The Advisory Council on Clean Air Compliance Analysis (ACCACA, or the "Council") of the Science Advisory Board (SAB) plans to hold a public teleconference meeting on Monday, June 30, 1997, from 11:00 am to 2:00 pm. The topics to be discussed are closure on select edits to the Clean Air Act (CAA) section 812 Retrospective Study and a strategic plan and continued discussions on emissions modeling on the Prospective Study of costs and benefits. The Council expects to receive select draft text edits to the Clean Air Act (CAA) section 812 Retrospective Study in June 1997. The review of these select draft edits to the Retrospective Study document will occupy only a portion of the time available for the teleconference. Most of the remaining time will be spent discussing the Agency's strategic vision, plan and approach to develop the CAA section 812 Prospective Study of costs and benefits. The Council will continue its discussions with the Agency staff of the emissions estimates, modeling assumptions, methodology, results and documentation for the Prospective Study that were the subject of its March and May teleconferences.

This public teleconference is a follow-up to earlier Council face-to-face discussions held on November 7 and 8, 1996, concerning the 1990 Clean Air Act
