

pricing of securities and tighter quotations.

## 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6<sup>5</sup> of the Act in general and, in particular, with Section 6(b)(5),<sup>6</sup> in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system by adopting a narrower minimum fractional change in Phlx equity securities in a gradual, orderly fashion. The Exchange also believes the proposal is consistent with Section 11A of the Act because it is designed to promote competition among the exchanges and market makers.<sup>7</sup>

### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

The Exchange has neither solicited nor received written comments on the proposed rule change.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change constitutes a change in a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule of the Phlx and, therefore, has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>8</sup> and subparagraph (e) of Rule 19b-4 thereunder.<sup>9</sup>

At any time within sixty days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors,

or otherwise in furtherance of the purposes of the Act.

## IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Room, 450 Fifth Street, N.W., Washington, D.C. 20549.
