

**SUMMARY:** The Occupational Safety and Health Administration announces the first meeting of the Metalworking Fluids Standards Advisory Committee (MWFSAC). The Secretary of Labor established MWFSAC to advise the Assistant Secretary for OSHA on appropriate actions to protect workers from the hazards associated with occupational exposure to metalworking fluids.

**DATES:** The meeting date is Tuesday, September 2, 1997, from 10:00 a.m. to about 4:30 p.m. Submit comments, requests for oral presentations, and requests for special disability accommodations by August 19, 1997.

**ADDRESSES:** The meeting will take place in Room C-5515 (1A and 1B) of the U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C.

Mail comments and requests for oral presentations to Dr. Peter Infante, U.S. Department of Labor, OSHA, Directorate of Health Standards Programs, Metalworking Fluids Standards Advisory Committee, Room N-3718, 200 Constitution Avenue, N.W., Washington, D.C. 20210.

**FOR FURTHER INFORMATION CONTACT:** Bonnie Friedman, Director, Office of Information and Consumer Affairs, OSHA, 202-219-8151. For special disability accommodations, contact Theresa Berry (phone: 202-219-8615 ext. 106; FAX: 202-219-5986).

**SUPPLEMENTARY INFORMATION:**

**Background**

On August 29, 1996, OSHA published a notice of intent to form a Metalworking Fluids Standards Advisory Committee (MWFSAC) and asked the public for nominations of individuals with suitable experience or expertise to serve as members (61 FR 45459). The Secretary of Labor chartered the advisory committee to address the relevant issues surrounding occupational exposure to metalworking fluids. These issues include methods of analysis and measurement, health effects, significance of risk, and technological and economic feasibility. The Secretary recently appointed fifteen persons to serve as members of MWFSAC, representing the interests of small and large employers, workers, academics, safety and health professionals, and government agencies (62 FR 39551, 7/23/97).

OSHA invites the public to attend the first MWFSAC meeting on Tuesday, September 2, 1997. Seating will be available on a first-come, first-served basis.

**Meeting Agenda**

The agenda for the first meeting of the advisory committee includes: introduction of members, welcome by the Acting Assistant Secretary of OSHA, discussion of committee procedures, administrative details, review of the committee charter, discussion of exposure sources and metalworking fluid operations, discussion of metalworking fluid design and uses, and discussion of appropriate source documents which MWFSAC may wish to use.

**Public Participation**

Interested persons may file written comments, data, views or statements for consideration by MWFSAC by submitting them to Dr. Peter Infante. Interested persons may also address the committee on items that are on the meeting agenda. A person wishing to make such an oral presentation must provide Dr. Infante with a summary of the proposed presentation, an estimate of the time desired, and a statement of the interest that the person represents. Presentation time will be allotted to speakers based on the amount of time available. In addition, public attendees may be allowed to participate in committee discussions, in the Chair's discretion and subject to time available.

**Authority**

This notice is issued under the authority of sections 6(b)(1) and 7(b) of the Occupational Safety and Health Act of 1970 (29 U.S.C. 655, 666), the Federal Advisory Committee Act (5 U.S.C. App. 2), and 29 CFR part 1912.

Signed at Washington, D.C., this 5th day of August, 1997.

**Greg Watchman,**

*Acting Assistant Secretary of Labor.*

BILLING CODE 4510-26-M

**NATIONAL AERONAUTICS AND SPACE ADMINISTRATION**

[Notice (97-110)]

**NASA Advisory Council, Aeronautics and Space Transportation Technology Advisory Committee, Rotorcraft Subcommittee; Meeting**

**AGENCY:** National Aeronautics and Space Administration.

**ACTION:** Notice of meeting.

**SUMMARY:** In accordance with the Federal Advisory Committee Act, Pub. L. 92-463, as amended, National Aeronautics and Space Administration announces a NASA Advisory Council,

Aeronautics and Space Transportation Technology Advisory Committee, Rotorcraft Subcommittee meeting.

**DATES:** August 26, 1997, 8:00 a.m. to 4:00 p.m.

**ADDRESSES:** National Aeronautics and Space Administration, Langley Research Center, Building 1219, Room 225, Hampton, VA 23681-0001.

**FOR FURTHER INFORMATION CONTACT:** Mr. Joe W. Elliott, National Aeronautics and Space Administration, Ames Research Center, Moffett Field, CA 94035-1000, 415-604-2001.

**SUPPLEMENTARY INFORMATION:** The meeting will be open to the public up to the seating capacity of the room. Agenda topics for the meeting are as follows:

- Overview of the Rotorcraft Subcommittee Charter and Functions
- Overview of the NASA Rotorcraft Base Program
- Review of the Rotorcraft Level II Programs
- Design for Efficient and Affordable Rotorcraft
- Safe All-Weather Flight Operations for Rotorcraft
- Select Low-Noise Technologies
- National Rotorcraft Technology Center (NRTC)
- Aviation System Capacity—Shorthaul Civil Tiltrotor

It is imperative that the meeting be held on these dates to accommodate the scheduling priorities of the key participants. Visitors will be requested to sign a visitors register.

Dated: July 31, 1997.

**Leslie M. Nolan,**

*Advisory Committee Management Officer.*
