DEPARTMENT OF ENERGY**Bonneville Power Administration****Watershed Management Program**

AGENCY: Bonneville Power Administration (BPA), Department of Energy (DOE).

ACTION: Notice of availability of Record of Decision (ROD).

SUMMARY: This notice announces the availability of the ROD to adopt a set of prescriptions (goals, strategies, and procedural requirements) that apply to future BPA-funded watershed management projects. Various sources—including Indian tribes, state agencies, property owners, private conservation groups, or other Federal agencies—propose watershed projects to the Northwest Power Planning Council (Council) for BPA funding. Following independent scientific and public reviews, Council then selects projects to recommend for BPA funding. BPA adopts this set of prescriptions to standardize the planning and implementation of individual watershed management projects. This decision is based on consideration of potential environmental impacts evaluated in
