EXECUTIVE OFFICE OF THE PRESIDENT

Office of National Drug Control Policy

Designation of High Intensity Drug Trafficking Areas

AGENCY: Office of National Drug Control Policy, Executive Office of the President.

ACTION: Notice.

SUMMARY: This notice lists two (2) counties in New Mexico designated by the Director of National Drug Control Policy, as additions to the Southwest Border High Intensity Drug Trafficking Area (HIDTA). The Southwest Border HIDTA in New Mexico currently consists of Bernalillo, Hidalgo, Grant, Luna, Dona Ana, Eddy, Lea, and Otero Counties. The additional counties in New Mexico are Chaves and Lincoln. HIDTAs are domestic regions identified as having the most critical drug trafficking problems that adversely affect the United States. These new counties are designated pursuant to 21 U.S.C. 1504(c), as amended, to promote more effective coordination of drug control efforts. This action will support local, New Mexico, and Federal law enforcement officers in assessing regional drug threats, designing strategies to combat the threats, developing initiatives to implement the strategies, and evaluation of the effectiveness of these coordinated efforts.

FOR FURTHER INFORMATION CONTACT:

Comments and questions regarding this notice should be directed to Mr. Richard Y. Yamamoto, Director, HIDTA, Office of National Drug Control Policy, Executive Office of the President, Washington, D.C. 20503; 202-395-6755.

SUPPLEMENTARY INFORMATION: In 1990, the Director of ONDCP designated the first five HIDTAs. These original HIDTAs, areas through which most illegal drugs enter the United States, are the Southwest Border, Houston, Los Angeles, New York/New Jersey, and South Florida. In 1994, the Director designated the Washington/Baltimore HIDTA to address the extensive drug distribution networks serving hardcore drug users. Also in 1994, the Director designated Puerto Rico/U.S. Virgin Islands as a HIDTA based on the significant amount of drugs entering the United States through this region. In 1995, the Director designated three more HIDTAs in Atlanta, Chicago, and Philadelphia/Camden to target drug abuse and drug trafficking in those areas.
