**Final Environmental Impact Statement/
Environmental Impact Report for
Soledad Mountain Project in Kern
County, CA****AGENCY:** Bureau of Land Management,
Interior.**ACTION:** Notice.

SUMMARY: Notice is hereby given that the Bureau of Land Management (BLM) and the County of Kern, State of California have prepared a Final Environmental Impact Statement/Environmental Impact Report (EIS/EIR) for the Soledad Mountain Project, a proposed gold mining operation on public and private lands in Kern County, California.

DATES: Comments on the Final Environmental Impact Report/Environmental Impact Statement must be postmarked no later than Oct. 19, 1997.

ADDRESSES: Written comments should be addressed to Bureau of Land Management, Ridgecrest Resource Area, 300 S. Richmond Road, Ridgecrest, California 93555, Attention: Ahmed Mohsen, EIS Coordinator.

FOR FURTHER INFORMATION CONTACT: Ahmed Mohsen-EIS Coordinator (760) 384-5421.

SUPPLEMENTARY INFORMATION: The purpose of the Final EIR/EIS is to present BLM and Kern County's response to public and agency comments on the Draft EIS/EIR and issues and concerns presented in the two public meetings held on June 24th & 25th, 1997. This is an abbreviated Final EIS/ERI formatted in accordance with NEPA Regulations at 40 CFR 1503.4(c). In order to provide continuity, response to the comments has been formatted and organized to fit within the body of the document circulated for public review in June and July 1997. Since this had been a joint federal/state process, administrative procedures for each lead agency govern the schedules and documentation requirements after completion of the Final EIS/ERI. Kern County Board of Supervisors held a public meeting on September the 8th in Bakersfield, California to review and consider the certification and adoption of the EIR and the issuance of the appropriate permits for the operation. After completion of the 30-day public review, BLM would consider and respond to any comments received during this

period in the Record of Decision (ROD) document. The ROD is the final document produced by the process. It outlines the process by which project decisions were reached. A notice of availability of the ROD will be published in the **Federal Register** and other media when it is completed.
