Television Receivers, Monochrome and Color, From Japan: Notice of Final Court Decision and Amended Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final court decision and amended final results of administrative review.

SUMMARY: On July 3, 1996, the U.S. Court of Appeals for the Federal Circuit upheld the Department of Commerce's (the Department's) remand determination in this case. See *Fujitsu General Ltd. v. United States*, 88 F.3d 1034 (Fed. Cir. 1996). As there is now a final and conclusive court decision in this action, we are amending our final results of review in this matter and we will subsequently instruct the Customs Service to liquidate entries subject to this review.

EFFECTIVE DATE: September 16, 1997.

FOR FURTHER INFORMATION CONTACT: Irene Darzenta or Sheila Forbes, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-6320 and (202) 482-0065, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 11, 1991, the Department published its final results of administrative review of television receivers, monochrome and color, from Japan covering imports from 11 manufacturers/exporters during various

periods, including imports from Fujitsu General Limited (FGL) for the periods March 1, 1986 through February 28, 1987; March 1, 1987 through February 29, 1988; and March 1, 1989 through February 28, 1990. See *Television Receivers, Monochrome and Color, from Japan: Final Results of Antidumping Duty Administrative Review*, 56 FR 25392. Subsequently, FGL challenged the final results before the United States Court of International Trade (CIT). Following a voluntary remand, the Department issued a redetermination which was affirmed by the CIT on March 14, 1995. See *Fujitsu General Limited v. United States*, 883 F.Supp. 728 (CIT 1995). Subsequently, an appeal was filed by FGL.

On July 3, 1996, the U.S. Court of Appeals for the Federal Circuit upheld the Department's remand determination. See *Fujitsu General Limited v. United States*, 88 F.3d 1034 (Fed. Cir. 1996). As there is now a final and conclusive court decision in this action, we are amending our final results of review in this matter and we will subsequently instruct the U.S. Customs Service to liquidate entries subject to this review.

Amendment to Final Result of Review

Pursuant to 19 U.S.C. 1516a(e), we are now amending the final results of administrative review for television receivers, monochrome and color, from Japan, with respect to FGL, for the above-referenced periods. The revised weighted-average margin for these periods is 26.17 percent.

Accordingly, the Department will determine, and the Customs Service will assess, antidumping duties on all appropriate entries of the subject merchandise made by FGL and covered by this review. Individual differences between United States price and foreign market value may vary from the percentage stated above. The Department will issue appraisal instructions directly to the Customs Service. Furthermore, the cash deposit rate for FGL which will be effective upon publication of these amended final results of review for all shipments of the subject merchandise made by FGL entered, or withdrawn from warehouse, for consumption on or after the publication date, and will remain in effect until publication of the final results of the next administrative review, will be 26.17 percent.

Dated: September 10, 1997.

Jeffrey P. Bialos,

Acting Assistant Secretary for Import Administration.
