

establish an additional connection by CIPCO; revise provisions relating to the basis upon which energy is delivered by CIPCO to MidAmerican at normally closed points or connection; revise provisions relating to the normal operating status of two Points of Connection; and revise the basis for billing the transmission service charge, but not the amount of the charge, as a result of the changes to provisions relating to the normal operating status of two points of connection.

MidAmerican requests an effective date in accordance with Section 5 of the Second Amended and Restated Second Amendment and further requests the Commission to accept the rate schedule change for filing within 60 days of the date of this submission to the Commission. MidAmerican has served a copy of the filing on CIPCO.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E. Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before November 21, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding.

Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
