### Telecommunications Relay Services; FCC Form 431

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that in an Order on Telecommunications Relay Services and the Americans with Disabilities Act of 1990 (Order), adopted December 22, 1997, and released December 22, 1997, the Commission calculated the contribution factor for the period April 26, 1998 through March 26, 1999 for the Telecommunications Relay Services (TRS) Fund. The contribution factor should ensure adequate funding of TRS. The Commission also approved the TRS payment formula for the 1998 calendar year. The payment rate will compensate TRS providers for the reasonable costs of providing interstate TRS. In addition, the Commission adopted the 1998 TRS Fund Worksheet, FCC Form 431, subject to approval by the Office of Management and Budget (OMB), which incorporates the new contribution factor and will be used by carriers in filing their TRS Fund contributions.
