

Permit for storm water discharges associated with construction activities. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations are listed in 40 CFR Part 9 and 48 CFR Chapter 15. The **Federal Register** Notice required under 5 CFR 1320.8(d), soliciting comments on this collection of information was published on June 2, 1997 (62 FR 29826); no comments were received.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 3.7 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: Owners/Operators of construction activities.

Estimated Number of Respondents: 13,632.

Frequency of Response: For each construction start.

Estimated Total Annual Hour Burden: 3.7 hours.

Estimated Total Annualized Cost Burden: \$3,646,741.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the following addresses. Please refer to EPA ICR No.1842.01 in any correspondence.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Submitted to OMB for Review and Approval

December 30, 1997.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before February 5, 1998. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Judy Boley, Federal Communications Commission, Room 234, 1919 M St., N.W., Washington, DC 20554 or via Internet to jboley@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection(s), contact Judy Boley at 202-418-0214 or via Internet at jboley@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Control No.: 3060-0349.

Title: Sections 76.73/76.75, Cable TV EEO Policy and Programs.

Form No.: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Businesses or other for profit.

Number of Respondents: 5,600.

Estimated Time Per Response: Of the 5,600 Cable/MVPD employment units, 2,125 will have 6 or more employees and will take an average of 52 hours per year to maintain an EEO program; 3,475 cable/MVPD employment units will have fewer than 6 employees and will take an average of 8 hours per year to maintain an EEO program.

Frequency of Response: Recordkeeping requirement.

Cost to Respondents: N/A.

Total Annual Burden: 138,300 hours.

Needs and Uses: Section 76.73 provides that equal opportunity in employment shall be afforded by all cable entities and multichannel video program distributors (MVPD) to all qualified persons and no person shall be discriminated against in employment by such entities because of race, color, religion, national origin, age or sex.

Sections 76.73 and 76.75 require that each cable/MVPD employment unit shall establish, maintain and carry out a program to ensure equal opportunity in every aspect of a cable entity's policy and practice.

The data is used by cable entities/MVPD in the preparation of the Cable Television/MVPD Annual Employment Report (FCC 395-A/395-M). The data is also used by FCC staff or in-house or field investigations involving equal employment opportunity. If this program was not maintained there could be no assurance that efforts are being made to afford equal opportunity in employment.

FEDERAL COMMUNICATIONS COMMISSION

Public Information Collection(s) Approved by Office of Management and Budget

December 29, 1997.

The Federal Communications Commission (FCC) has received Office of Management and Budget (OMB) approval for the following public

information collection(s) pursuant to the Paperwork Reduction Act of 1995, Public Law 96-511. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. Notwithstanding any other provisions of law, no person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Questions concerning the OMB control numbers and expiration dates should be directed to Jerry Cowden, Federal Communications Commission, (202) 418-0447.

Federal Communications Commission

OMB Control No.: 3060-0021.

Expiration Date: 12/31/2000.

Title: Civil Air Patrol Radio Station License.

Form Number: FCC 480.

Estimated Annual Burden: 1 hour; 0.084 hour per respondent; 12 respondents.

Description: FCC Rules require that applicants file the FCC Form 480 to apply for a new, renewed, or modified Civil Air Patrol Radio Station License. This form is required by the Communications Act of 1934, as amended; international treaties, and FCC Rules 47 CFR 1.922, 87.21, and 87.31. The data will be used by Commission personnel to evaluate the application to issue licenses, to provide information for enforcement and rule making proceedings and to maintain a current inventory of licensees.

OMB Control No.: 3060-0132.

Expiration Date: 12/31/2000.

Title: Supplemental Information—72-76 MHz Operational Fixed Stations.

Form Number: FCC 1068-A.

Estimated Annual Burden: 150 hours; 0.5 hour per response; 300 respondents.

Description: FCC rules require that the applicant agrees to eliminate any harmful interference caused by the operation to TV reception on either channel 4 or 5 that might develop. This form is required by the Communications Act of 1934, as amended; international treaties, and FCC Rules 47 CFR 90.257.

OMB Control No.: 3060-0136.

Expiration Date: 12/31/2000.

Title: Temporary Permit to Operate a General Mobile Radio Service System.

Form Number: FCC 574T.

Estimated Annual Burden: 150 hours; 0.1 hour per respondent; 1,500 respondents.

Description: The Commission rules state that applicants for new or modified radio stations in the General Mobile Radio Service complete FCC Form 574-

T for immediate authorization to operate the radio station. The applicant retains this form during the processing of their application for license grant as a 180-day temporary authorization to operate their radio station. This form is required by the Communications Act of 1934, as amended; international treaties, and FCC Rules 47 CFR 1.922, 95.71, and 95.73.

OMB Control No.: 3060-0202.

Expiration Date: 12/31/2000.

Title: Section 87.37 Developmental license.

Estimated Annual Burden: 96 hours; 8 hours per response; 12 respondents.

Description: The information collection requirement contained in Section 87.37 is needed to gather data on developmental programs for which a developmental authorization was granted to determine whether the developmental authorization should be renewed or whether to initiate proceedings to include such operations within the normal scope of the Aviation Services. If the information was not collected the value of developmental programs in the Aviation Service would be severely limited.

OMB Control No.: 3060-0297.

Expiration Date: 12/31/2000.

Title: Section 80.503 Cooperative use of facilities.

Estimated Annual Burden: 1,600 hours; 16 hours per response; 100 respondents.

Description: The recordkeeping requirements contained in Section 80.503 are needed to ensure licensees which share private facilities operate within the specified scope of service, on a non-profit basis, and do not function as communications common carriers providing ship-shore public correspondence services. The information is used by FCC Compliance and Information Bureau personnel during inspection and investigations to insure compliance with applicable rules.

OMB Control No.: 3060-0222.

Expiration Date: 12/31/2000.

Title: Section 97.213 Telecommand of an amateur station.

Estimated annual burden: 100 hours; 0.2 hour per response; 500 respondents.

Description: the recordkeeping requirement in section 97.213 consists of posting a photocopy of the station license, a label with the name, address and telephone number of the station license, and the name of least one authorized control operator. The requirement is necessary so that quick resolution of any harmful interference problems can be achieved and to ensure that the station is operating in

accordance with the Communications Act of 1934, as amended.

OMB Control No.: 3060-0264.

Expiration Date: 12/31/2000.

Title: Section 80.413 On-board station equipment records.

Estimated annual burden: 2,000 hours; 2 hours per response; 1,000 respondents.

Description: The recordkeeping requirement contained in Section 80.413 is needed to demonstrate that all on-board repeaters and transmitters are properly operating pursuant to a station authorization issued by the FCC. The information is used by FCC Compliance and Information Bureau personnel during inspections and investigations to determine what mobile units and repeaters are associated with on-board stations aboard a particular vessel.

OMB Control No.: 3060-0259.

Expiration Date: 12/31/2000.

Title: Section 90.263 Substitution of frequencies below 25 MHz.

Estimated annual burden: 30 hours; 0.5 hour per response; 60 respondents.

Description: The information collection requirement contained in section 90.263 is needed to require applicants to provide a supplemental information showing that the proposed use of frequencies below 25 MHz are needed from a safety standpoint and that frequencies above 25 MHz will not meet the operational needs of the applicant. The information is used to evaluate the applicant's need for such frequencies and the interference potential to other stations operating on the proposed frequencies.

OMB Control No.: 3060-0261.

Expiration Date: 12/31/2000.

Title: Section 90.215 Transmitter measurements.

Estimated annual burden: 4,417 hours; 0.034 hour per response; 129,900 respondents.

Description: This information collection requires technical measurements on each transmitter upon initial installation. This information helps assure proper operation of transmitters, thereby reducing instances of interference.

OMB Control No.: 3060-0295.

Expiration Date: 12/31/2000.

Title: Section 90.607(b)(1) & (c)(1) Supplemental information to be furnished by applicants for facilities under this subpart.

Estimated annual burden: 507 hours; 0.025 hour per response; 2,028 respondents.

Description: This information collection requires certain applicants requesting 800 MHz facilities to furnish a list of any other licensed facilities they

hold within 40 miles of the applied for base station. This information is used to determine if an applicant's proposed system is necessary in light of communications facilities it already owns.
