Title and Form Number: Transfer of Scholastic Credit (Schools), VA Form Letter 22-315.

OMB Control Number: 2900-0118.

Type of Review: Extension of a currently approved collection.

Abstract: When a student receiving VA education benefits is enrolled at two training institutions, the institution at which the student pursues his approved program of education must verify that courses pursued at a second or supplemental institution will be accepted at full credit toward the student's course objective. Educational payment for courses pursued at the second institution are not payable unless evidence is received to verify

that the student is pursuing his or her approved program while enrolled in these courses. VA Form Letter 22-315 is sent to the student by a VA claims examiner. The letter directs the student to have the certifying official of his or her primary institution complete the bottom portion of the form. The certifying official uses the letter to list the course or courses pursued at the second institution for which the primary institution will give full credit. The completed letter is then returned to the VA regional office and the information is used to ensure that students are pursuing their approved program while enrolled at a different school. Without this information, VA might underpay or overpay benefits.

Estimated Average Burden Per Respondent: 10 minutes.

Frequency of Response: On occasion.
