

obtaining a Federal commercial shark permit and an EFP is not required.

Carolina Sharks, in Georgetown, SC, intends to collect an unspecified number of large coastal sharks, including bull, sandbar, blacktip, and nurse sharks, as well as an unspecified number of sand tiger sharks for public display. The applicant intends to collect specimens by using hand rod and reels, longlines no greater than 2.4 kilometers, anchor hooks, and gillnets of unspecified length with 10–33 centimeter stretch mesh. Fishing will occur from February through October in Federal waters off New York, North Carolina, South Carolina, Georgia, and Florida, as well as in the Chesapeake Bay. Issuance of an EFP is necessary, according to the applicant, because the commercial season for large coastal sharks is closed for long periods of time and because possession of sand tiger sharks is prohibited.

The proposed collections for public display involve activities otherwise prohibited by regulations implementing the Fishery Management Plan for Sharks of the Atlantic Ocean. The applicants require authorization to fish for and to possess large coastal sharks outside the Federal commercial seasons and to fish for and to possess prohibited species.

Based on a preliminary review, NMFS finds that these applications warrant further consideration. A final decision on issuance of EFPs will depend on the submission of all required information and on NMFS' review of public comments received on the applications, conclusions of any environmental analyses conducted pursuant to the National Environmental Policy Act, and any consultations with any appropriate Regional Fishery Management Councils, states, or Federal agencies.

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

ACTION: Notice of proposed information collection requests.

SUMMARY: The Acting Deputy Chief Information Officer, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: An emergency review has been requested in accordance with the Act (44 U.S.C. Chapter 3507 (j)), since public harm is reasonably likely to result if normal clearance procedures are followed. Approval by the Office of Management and Budget (OMB) has been requested by February 4, 1998.

ADDRESSES: Written comments regarding the emergency review should be addressed to the Office of Information and Regulatory Affairs, Attention: Dan Chenok, Desk Officer: Department of Education, Office of Management and Budget, 725 17th Street, N.W., Room 10235, New Executive Office Building, Washington, D.C. 20503. Requests for copies of the proposed information collection request should be addressed to Patrick J. Sherrill, Department of Education, 7th & D Streets, S.W., Room 5624, Regional Office Building 3, Washington, D.C. 20202-4651.

SUPPLEMENTARY INFORMATION: Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 3506 (c)(2)(A)) requires that the Director of OMB provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The Office of Management and Budget (OMB) may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Acting Deputy Chief Information Officer, Office of the Chief Information Officer, publishes this notice containing proposed information collection requests at the beginning of the Departmental review of the information collection. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5)

Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. ED invites public comment at the address specified above. Copies of the requests are available from Patrick J. Sherrill at the address specified above.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department, (2) will this information be processed and used in a timely manner, (3) is the estimate of burden accurate, (4) how might the Department enhance the quality, utility, and clarity of the information to be collected, and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Title: Advanced Placement Fee Payment Program.

Abstract: States must submit an application in order to participate in the Advanced Placement Fee Payment. The Department will award grants to States to enable States to reimburse individuals to cover part or all of the cost of advanced placement test fees to low income student who are enrolled in an advanced placement class, and who plan to take an advanced placement test.

Additional Information: An emergency clearance is requested by February 4, 1998, due to an unanticipated event. Congress appropriated funds to be used to pay Advanced Placement examination fees for low income students in the FY 1998 appropriations bill. The Department has worked closely with Congress and other groups to develop the program and fulfill the intent of Congress. The Department needs to make awards to States in sufficient time for States to use the funds this school year for students who are currently enrolled in Advanced Placement courses. If the normal clearance process were followed, awards would not be made.

Frequency: Biennially.

Affected Public: Individual or households; State, local or Tribal Government, SEAs or LEAs.
