

protect investors and the public interest.²⁵

The Commission finds good cause to approve Amendment No. 1 to the proposed rule change prior to the thirtieth day after the date of publication of notice of filing thereof in the Federal Register. Amendment No. 1 withdraws from the proposed rule change a proposed general exemption of IPRs from the Exchange's short sale rule. The CBOE originally anticipated that the Commission would grant a general exemption from Rule 10a-1 of the Act for all IPRs prior to the approval of this filing. However, to date, such an exemption has not been granted. Accordingly, the Commission believes that there is good cause, consistent with Section 6(b)(5) of the Act, to approve Amendment No. 1 to the proposal on an accelerated basis.

Interested persons are invited to submit written data, views and arguments concerning Amendment No. 1, including whether this proposed amendment is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any other person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 522, will be available for inspection and copying at the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Exchange. All submission should refer to File No. SR-CBOE-97-38 and should be submitted by February 24, 1998.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,²⁶ that the proposed rule change (SR-CBOE-97-38) is approved, as amended.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.²⁷

Margaret H. McFarland,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-39585; File No. SR-CBOE-98-02]

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change By Chicago Board Options Exchange, Inc. To Limit Number of Consecutive Terms Executive Committee Chairman May Serve

January 27, 1998.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on January 16, 1998, the Chicago Board Options Exchange, Inc. ("CBOE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the CBOE. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The CBOE proposes to amend Section 8.1(a) of the Exchange Constitution to limit the number of consecutive terms that may be served by the Chairman of the Executive Committee. The text of the proposed rule change is available at the Office of the Secretary, CBOE, and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CBOE has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed amendment to Section 8.1 of the CBOE's Constitution is to limit the number of terms that may be served by the Chairman of the Executive Committee, who also serves as the Vice Chairman of the Exchange. Section 7.2 of the CBOE

¹ 15 U.S.C. 78s(b)(1).

Constitution provides the Executive Committee members are elected for a term of one year. Currently, Section 8.1 of the CBOE's Constitution does not provide for any limit to the number of terms a Vice Chairman may serve. The CBOE is proposing to amend Section 8.1 to provide that the same person may be elected to the office of Vice Chairman up to three consecutive one year terms. For purposes of this limit, a combination of at least six months of a one-year term plus the next two one-year terms is considered to be three consecutive one-year terms. A person becomes eligible to serve as Vice Chairman again, once that person has been out of that office for a period of six months or more.

The purpose of the proposed amendment to impose term limits on the office of the Vice Chairman is to ensure a diversity of experience and ideas in this strategic position of the Exchange. The proposed term limit will apply to the Vice Chairman in office at the time this rule change becomes effective and will take account any prior terms served by that person.

By amending the constitution to impose term limits on the office of Vice Chairman, the Exchange will ensure that the office of Vice Chairman will be dynamic and will present the Exchange with fresh ideas. Therefore, the rule change is consistent with Section 6 of the Act, in general, and Section 6(b)(5), in particular, in that it promotes just and equitable principles of trade, fosters cooperation among persons engaged in facilitating securities transactions, and protects investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The CBOE does not believe that the proposed rule change will impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory

organization consents, the Commission will:

(A) By order approve such proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the CBOE. All submissions should refer to the File No. SR-CBOE-98-02 and should be submitted by February 24, 1998.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.²

Margaret H. McFarland,

Deputy Secretary.
