

129. As amended by T.D. 97-72, § 134.46 now provides:

In any case in which the words "United States," or "American," the letters "U.S.A.," any variation of such words or letters, or the name of any city or location in the United States, or the name of any foreign country or locality other than the country or locality in which the article was manufactured or produced appear on an imported article or its container, and those words, letters or names may mislead or deceive the ultimate purchase as to the actual country of origin of the article, there shall appear legibly and permanently in close proximity to such words, letters or name, and in at least a comparable size, the name of the country of origin preceded by "Made in," "Product of," or other words of similar meaning.

As a result of T.D. 97-72, § 134.46 no longer is applicable on an automatic basis dependent solely on the presence of the other locality marking on the article, but rather is now expressly based on a preliminary finding that the locality information may mislead or deceive the ultimate purchaser.

In view of the fact that T.D. 86-129 is entirely inconsistent with § 134.46, as amended by T.D. 97-72, T.D. 97-72 effectively revoked T.D. 86-129. This document expressly informs interested members of the public of the revocation of T.D. 86-129. Consistent with § 134.46, footwear and/or its containers must be marked in accordance with the requirements of 19 CFR 134.46 only if the locality marking on imported footwear and its containers may mislead or deceive the ultimate purchaser as to the actual country of origin of the article.

Dated: February 3, 1998.
Stuart P. Seidel,
Assistant Commissioner, Office of Regulations and Rulings.

Customs Service

Denial of Application for Recordation of Trade Name: "WINFING"

ACTION: Denial of Application for Recordation of Trade Name, DOT.

SUMMARY: By notice published in the **Federal Register** dated June 27, 1997, application was filed pursuant to section 133.12, Customs Regulations (19 CFR 133.12), for the recordation under section 42 of the Act of July 5, 1946, as amended (15 U.S.C. 1124), of the trade name "WINFING," used by PrintScan International, Inc., a corporation organized under the laws of the State of New Jersey, located at 1432 Drum Hill Road, Martinsville, New Jersey 08836.

The application states that the alleged trade name is used in connection with a demonstration and evaluation software. Its main purpose is to give an insight into the internal working mechanism of the PrintScan core library and to demonstrate the performance of the fingerprint analysis procedure.

Before final action was taken on the application, consideration was given to any relevant data, views, or arguments submitted in writing by any person in opposition to the recordation of this alleged trade name. No comments were received relative to this application.

Customs has completed its review of this matter and has determined that the word "Winfing" is not used as a trade name, but rather, in a trademark sense with demonstration and evaluation software. Accordingly, the application is denied.

FOR FURTHER INFORMATION CONTACT: George F. McCray, Esq., Intellectual Property Rights Branch, 1300 Pennsylvania Avenue, N.W., Washington, D.C. 20229 (202-927-2330).

Dated: February 3, 1998.
